Welcome to James and Suzannah

We welcome our 2019 summer management team – James Linville, manager and Suzannah Mills, Assistant

manager. Both have been guards/ managers at other pools throughout the area for the past 4+ years. They are excited to be part of the WLSC.

Recent WLSC Board Activities

- * The Board has been meeting almost weekly for the past three months setting up our self-management.
- * The pool staff is being finalized (will be announced via email) and hiring about 8 guards.
- * We just finished presenting our case for a State Grant to assist with completing the white coat. Sponsored by Jim Rosapepe and Mary Lehman. We are also presenting at a county grant.
- * Subcomm Pools has been contracted to install the first white coat section (out of 5) in the 4 foot section. If all 2018 members pay their special assessment, we will be able to complete two sections at a substantial discount.
