Financial Report 2018  
Annual General Meeting  
June 10, 2018**

To: The Executive and Members of Volleyball Cape Breton  
From: Brad Layes, Treasurer of Volleyball Cape Breton

We ended the year in with a small deficit this is due to the purchase of new our new jerseys, volleyballs and medals..

All our obligations for the season have been met and all invoices received up to the end of May have been paid.

I would like to thank Colbourne's Sports and Trophies for coming on board and sponsoring the awards for today's presentations.

I would also like to thank all of coaches, volunteers, and the Executive your time and efforts are very important to making our association run successfully.

Sincerely,

Brad Layes
