“We Try Softer”

June 15, 2016

After 44 years in business, Cal-Metro Distributing Co., Inc. has decided to close our doors. We can't fully express our deep gratitude for your business and support.

Our last effective day of business will be July 31, 2016. Local pick up service will be discontinued on July 21, 2016. Until that date, we will continue to service your account as normal.

All accounts payables will be settled in full and the business office will remain open for some time after August 1, 2016 for accounting procedures and liquidation of assets. We ask that all outstanding customers' accounts receivable balances be paid by August 15, 2016.

We are sorry for any inconvenience our departure may cause our many loyal customers and Cal-Metro is truly appreciative of any considerations that you would give our people that will now be forced to seek other endeavors.

Our commitment to providing you the best service and support is still our top priority. Thank you again for your business.

Sincerely,
