

Dear Potential Sponsor:

I am the USATF Level 1 Coach of Eastside Steppers Track Club. Eastside Steppers is a long standing community-centered, non-profit organization that has promoted youth track & field in the Oklahoma City area for youth ages 6-18 since 1991.

The club is a non-profit organization expecting to serve 50 - 100 children in the community this year. The support of the community will be a vital factor in the success of our program.

We are striving to keep our fees as low as possible in an effort to allow as many athletes the opportunity to achieve their dreams, without being limited by the lack of financial ability. Our mission is to create a sports organization that aspires to foster character and self-awareness through scholastic achievement, community service, and athleticism. We will strive to develop well-rounded Scholar Athletes who will excel throughout school and within society. Our core expertise is using the disciplines of track and field as a vehicle in developing essential life skills for youth, including those considered "at-risk". It is with great enthusiasm that I am asking for your support in sponsoring our team.

We will be competing in local track and field events, as well as the Age Group Nationals, USATF Regional Championships and the Junior Olympics National Championships. These events require our athletes to travel out-of-state to various locations on a regular basis during the summer months. The estimated cost per athlete for the two National meets and the Regional meet is \$1,200. As a team sponsor, you would be helping to decrease the cost of travel, team supplies, snacks, tents, and other track and field equipment. Your donation or sponsorship will offset this considerable cost and because we are non-profit organization, your contributions are fully tax deductible.

On behalf of the athletes, coaches, and parents of the Eastside Steppers Track Club Family, I want to thank you in advance for your time, support and generous contribution to our team.

If you have any questions or need additional information, please contact me via e-mail at coach_k@att.net, or via cell at 405-570-0639.

Sincerely, Kietha Wyatt
USATF Certified Coach-Level 1/Official
