## Pastor's Portion

### Community Garden

Our community garden is in full bloom! Potatoes are ready and squash and zucchini are beginning to blossom now! Mr. Stancil has left a rake to dig up extra potatoes after you pull up the bush. If you are interested in any bush/cherry tomatoes, we have had several varieties to re-seed and volunteer in the planter at front of the fellowship hall and we really need to thin them out. Please feel free to dig up any that you would like!

### Happy Travelers

June 6th Meeting: Drew Williams from Harnett County Parks and Recreation will be our speaker and will be informing us about all of the things happening in and around the new Boone Trail Community Center including plans for a new park and other exciting details. We will also journey to the Billy Graham Library and Museum on June 20th. Please sign up at our next meeting on June the 6th.

### Kids Missions

On June 7th the kids will travel off campus to deliver their children's crisis care bags to Central Carolina Hospital. We will try to leave the church at 5:45 and travel to Chick-fil-A first and then to CCH and home by 7:30. If your child needs transportation due to work schedules or other reasons, please let Mrs. Beca know and we'll be glad to pick them up!

It is a joy, privilege, and exciting challenge to be your pastor during this interim period in the dynamic life of Antioch Baptist Church. We have experienced the blessings of God as Jesus has sustained us through another year. Babies have been born, saints have gone to heaven, prayers have been answered. Children and adults have come to a saving relationship with Jesus our Lord! Our needs have been met. Blessings and hardships will continue to bring us closer to God. The only thing constant seems to be unrelenting change. I must ask myself, am I becoming more Christ like? Is the truth of God's word I preach making a difference and helping our church live with more dedication to Jesus? Are people turning to Jesus because of what they see and feel about our worship and witness? Do we live with the peace of mind that God has promised as our lives play out?

**Actions speak louder than words.** It is easier to spend more time and energy talking about our beliefs than actually living them. As we move in and out of the church this summer, I challenge you to keep the church and all of its needs in your heart. Vacations are needed and necessary, but we must never forget the way we live every day reflects what we really believe. "If the way you live isn't consistent with what you believe then it is wrong." Romans 14:23 Msg

Jesus has promised His Spirit is where His people call on Him and worship Him with praise and thanksgiving. He is where people confess and repent of their sins and accept forgiveness that only Christ can bring. The church is where God's truth is being proclaimed and God's love is shared. I look forward to the summer season this year. I look forward to your being in worship. God is with us, His presence will guide us, His love will bless us. May we be faithful to Jesus and each other. Amen.

Pastor Dan

### WMU – ARMENIA PROJECT:

We would like to collect items such as reading glasses, Tylenol and Ibuprofen for Kenneth Cummings to take on their Armenia mission trip. Items due by August 1.

## BAPTIST MEN

Have you taken a look outside at the church? Exciting things are happening due in large part to the work of our Baptist Men. The Baptist Men have been working hard on the lower shelter area of our church fixing up the shelter itself and also the grounds around it. They have torn up the asphalt that so many of our kids have scraped their knees on and plans are on the way to quickly replace it with sod for a variety of purposes. Also in the works is to replace the dilapidated stairs with a graduated slope and walkway to accommodate children, and adults as well as special needs equipment. We are so thankful to these men for all of the hard work they are doing in the name of the Lord. If you would like to be a part of that work, join them at their next meeting on June the 7th at 6:30 in the fellowship hall.

Let's turn our kids into Galactic Starveyors! As kids focus their telescopes on the marvels painted in the sky by the Creator, they will discover the wonder among all wonders - that the God who created everything there is - the knowable and the unknowable, the visible and the invisible - wants a personal relationship with them! Invite your kids into the clubhouse and show them the God who is over the moon in love with them. We still need volunteers in several areas so join us! Let Beca Lindhout know if you can help!

**Scripture:** Colossians 1:15-16

**VBS Motto:** Searching the Visible, Discovering the Invisible

# Sunday School

We are missing you at Sunday School! Yes, you! When you miss Sunday School you are missing so much! You miss your community of friends and classmates who are important in one another's lives and the opportunity to share one another's joys and concerns. You miss a lesson that was prepared with great time and care by your teachers. It is disheartening to teach to a sporadically attended class. Finally, you miss the opportunity for God to move in your life through the lives of others and the Word of God. We know you work hard and play hard on Saturdays, especially in the summer, but get up! Get moving! Get to Sunday School! You'll be so glad you did!

## Congrats Grads!

Antioch would like to recognize the hard work and accomplishments of our high school and college graduating class of 2017. Please Pray for them as they take their next new steps in life, whether to employment, college or both! May God bless you all! We're cheering for you!
