Greetings,

I would like to personally extend a warm welcome to everyone who has journeyed to be here this weekend. Thank you for joining us as we turn an extraordinary hotel into an amazing school of witchcraft and wizardry for four wonderful days!

I invite you to immerse yourself in the magic, make new friends, and create memories to last a lifetime.

Just like the first notes of a melody, the first paragraph of a book, or the first scene in a movie, there will only ever be a first Weekend of Wizardry. It is a special time for all of us, and I am delighted to be the one to welcome you to your new home where, as Potterheads, we have all come together to celebrate the boy who lived!

Yours truly,

Professor Angela Moon
