A Few Words from Our Headmaster

Greetings,

I would like to personally extend a warm welcome to everyone who has journeyed to be here this weekend. Thank you for joining us as we turn an extraordinary hotel into an amazing school of witchcraft and wizardry for four wonderful days!

I invite you to immerse yourself in the magic, make new friends, and create memories to last a lifetime.

Just like the first notes of a melody, the first paragraph of a book, or the first scene in a movie, there will only ever be a first Weekend of Wizardry. It is a special time for all of us, and I am delighted to be the one to welcome you to your new home where, as Potterheads, we have all come together to celebrate the boy who lived!

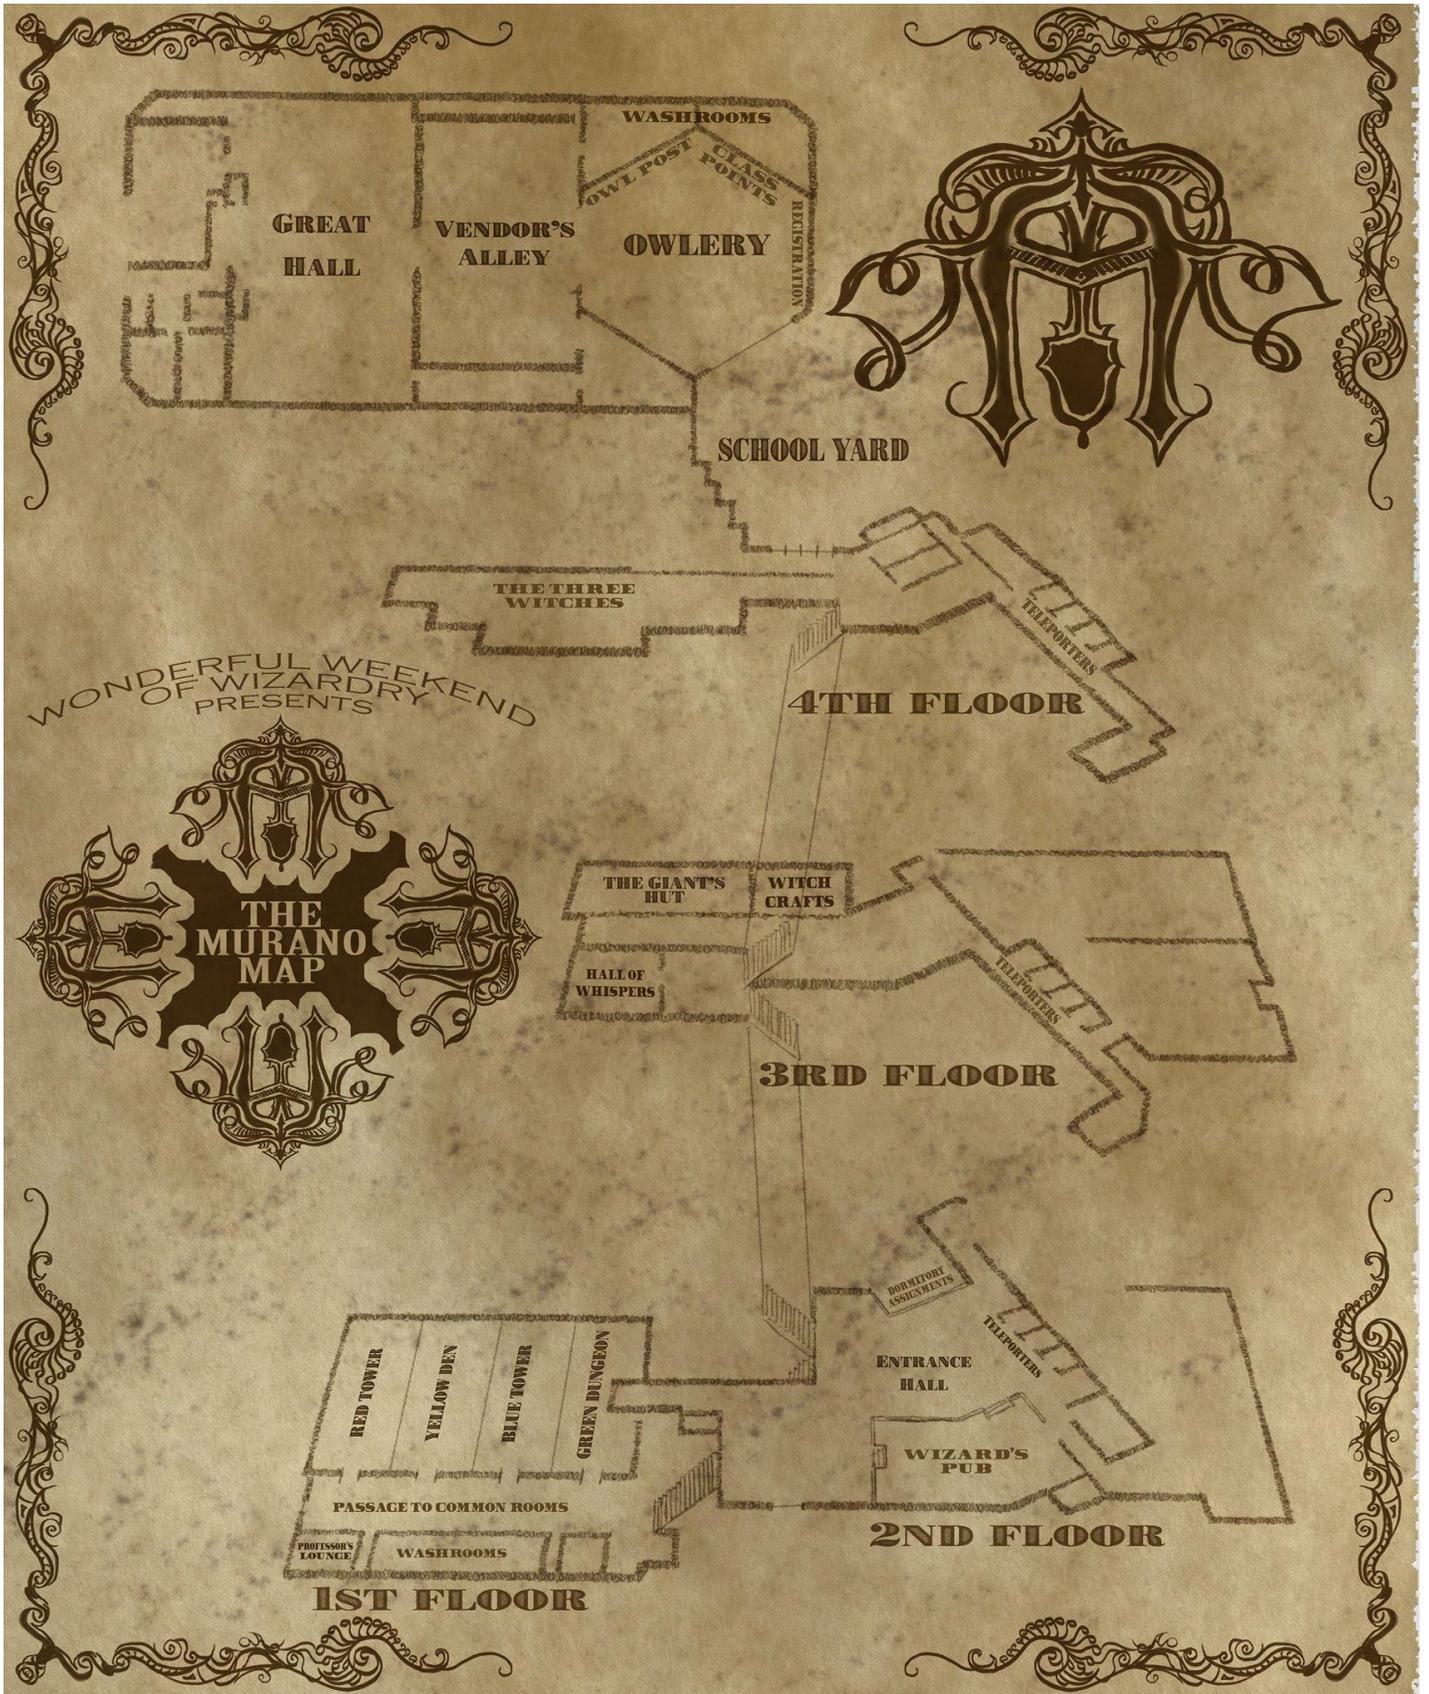

Yours truly,

Professor Angela Moon

Headmaster & Mischief Manager

Special Events

There will be separate ticketed events, or limited events with a specific number of attendees to help reduce lines and improve the overall experience for everyone. Please sign up early and make sure to plan accordingly for any signing, photo ops, or special events as timing is critical for making a great event. Thank You

I would like to thank everyone who believed in me, saw and supported my vision during this past year of making my big idea a reality. To the committee leaders and their seconds, many who spent countless days and nights crafting, planning, scheduling, emailing, calling, and traveling. I appreciate you more than words can express. You have my undying gratitude as I truly could not have pulled this off without you! To the dozens of volunteers who pitched in to support their committees a very large THANK YOU to you all, many hands make light work. For those who came in late to bring things up to speed- you are true heroes! It took a Dumbledore sized army to pull off this first year but through the many ups and downs, countless hours of effort and sheer persistence, we made it! I feel like I have gained a new family and I am blessed to know you. Also a special thank you to our generous sponsors:

Creepy Kingdom, Crescent Moon Gifts, Rob Carlos Fantasy Art, Mary Mart and Broadway Center (now Tacoma Arts Live).

Your support of this event means the world to me!
