

# **EXTRAORDINARY MINISTER**

**Those who feel called to the ministry of being an Extraordinary Minister of the Holy Eucharist, will be participating in one of the most visible ministries of the Church. Bringing the most precious Body and Blood of Jesus to your fellow parishioners is a privilege.**

For most weekend Masses, there are five EM's serving and assisting the priest. If you feel called to this ministry, you will be scheduled to serve at the Saturday Vigil Mass, the Sunday morning Mass or weekday Mass, (based on your Mass preference). You will be scheduled an average of once per month.

Besides serving during Mass, Extraordinary Ministers also clean up around the altar after Mass, and take care of the sacred vessels.

**What you will receive from participation in this ministry of the Church is profoundly more than you expend in time and effort. If the Lord has placed this call in your heart to serve Him in this ministry, please say "yes" by filling out and submitting a Time & Talent Sheet.**
