

MUSIC MINISTRY

Vocalists and musicians are invited to join IHM Choir and/or Community Choir!

IHM Choir members perform at Mass on Saturday or Sunday (on the day of your choice), and Holy Days of Obligation. Practice is held one hour before Mass and occasionally, one evening during the week.

Community Choir is an evangelical group and open to the community. The Community Choir performs for special occasions, such as Christmas Eve, and for a Cantata during the Easter season. There are generally four to six performances during the year held at IHM. Practices are usually held one evening during the week, for a few weeks before the event.

NOTE: You may be a member of both choirs, but there is no obligation to do so.
