

ST. VINCENT DE PAUL SOCIETY

The St. Vincent de Paul Society is looking for volunteers to serve on this worthwhile commission to help serve needy individuals and/or families in Clay County with financial aid for utility bills, rent, mortgage payments, insurance, medical costs, food, clothing, car repairs, lodging and other needs. If you are looking for a committee or mission to offer your God-given talents, and volunteer your time, this mission is an excellent choice, whereby you can extend a compassionate hand to those less fortunate within our community.

Serving on this commission entails the following responsibilities:

- Visit with individuals or families that have called or were referred to SVDP by other agencies when a need arises. Seek to understand their needs, the best course of action to take in a timely manner. Most importantly, pray with those you visit.
- Contact and make referrals to other partner agencies in Clay County for special needs.
- Meet twice a month with the SVDP commission to discuss the various cases that were assisted, and the disposition of those cases.
- Assist with collection of free-will offerings once a month after each weekend Mass.
- Assist SVDP in fundraising activities.

If you are interested in serving on this worthwhile, and much needed, commission, please fill out a Time and Talent Sheet and turn in to our Stewardship Committee.
