

USHERS

We are looking for men and women who are willing to serve as ushers at either the Saturday or Sunday Mass. We require two ushers at each Mass, and four when there is a second collection. You would normally serve once a month. No experience is necessary; training will be provided.

Usher duties include:

- Turn on sanctuary lights
- Select gift bearers before Mass begins
- Assist parishioners and guests find seats, when required
- Pass baskets for offertory collection
- Direct an orderly flow of people receiving communion
(Advise Eucharistic Minister when someone cannot come forward and needs to be served in place.)
- Open the doors to the Narthex during recessional hymn
- After Mass, take offertory collection, sort it and put it into bag, along with an attendance count, for Pastor to take to Murphy
- In the event of a medical emergency, ushers assist Emergency Response Team with crowd control and call 911, if required

This is a ministry that does not require a lot of extra time.
We need your help!
