Welcome NAVHDA Invitational Guests!

We love having your pets with us and we would like to be able to accommodate all your needs during your stay.

Pets must be kept on a leash while on the Holiday Inn property.

Housekeeping will not enter your room with your pet in the room. We ask that you walk your pet while housekeeping cleans your room, call the front desk to arrange a convenient time, it must be prior to 1:00PM. Daily housekeeping in pet rooms is required.

Pets are not permitted to be left alone in the guest room at any time. If you go out your pet must go with you.

Doggie bag station and receptacle is located on the property near the 1st floor corridor entrance for your convenience. The hotel offers plenty of grassy areas adjacent to the hotel's outdoor pool for your pet to explore.

There is a \$50.00 non-refundable pet fee per stay up to 2 pets. You will be responsible for any room damages incurred by your pet. These charges will be added to your folio.

We hope you and your pet enjoy your stay and we thank you for your cooperation regarding our pet policies.
