DIRECTIONS FOR FILLING OUT TRANSFER APPLICATIONS

Every change in ownership must be properly recorded with the IMZA so that progeny of the animal may be registered and subsequent changes in ownership recorded. Open transfers are condemned and considered a poor practice. THE ASSOCIATION LOOKS TO THE SELLER to promptly complete transfers in every detail, pay the fee and send to this office after the sale transaction is completed. All writing must be in ink or typewritten. **DO NOT USE PENCIL.**

Applications that have been altered are not acceptable. If a mistake is made, use another blank. Fee is \$10 for members (\$20 Non-members, \$5 Youth)– enclose fee with application. IMZA reserves the right to require on request two clear close-up, colored pictures taken from one side of the animal. Not required as part of initial transfer application process.
