As a coach or assistant coach, I have read and understand the Southern Colorado Basketball League rules and expectations. I understand the importance of emphasizing the proper ideals of sportsmanship, ethical conduct, and fair play as they relate to the lifetime impact on the participants. I also accept responsibility for the conduct and behavior of my team's parents before, during, and after games. This includes any monitoring or disciplinary action implemented by SoCo staff. I will avoid any practice or technique that would endanger the present or future safety/welfare of my players or any participant. I understand the importance of good coaching character at practices and games. I understand that if my behavior is out of line disciplinary action may be taken against me. If I receive two technical fouls in one game, I will receive a one game suspension. If I receive an excessive amount of technical fouls throughout the season (determined by SoCo staff), I will receive a one game suspension. I have taken the Concussion in Sport online training. The information provided on the registration forms is correct and accurate to the best of my knowledge. Failure to adhere to these expectations and rules could result in disqualification from the Southern Colorado Basketball League. No team refunds are given after the team has been scheduled to participate.

## Roster notes/rules

- Parent signatures are required for all participants. The waiver is on the next sheet.
- Players may play up one age division, but cannot play down (unless approved by SoCo). Players are eligible for only one roster in each age division. If a player participates in two age divisions, he/she must be officially registered for each division and must have paid for both teams.
- The league has the discretion to allow an approved player to play down an age division under very specific circumstances. If this occurs, the player must be approved by the league before the roster is submitted. After league play begins, SoCo has the right to remove this player from the team if SoCo believes the player is too advanced to play in the lower division. Again, the circumstances for approval will be extremely specific scenarios such as:
  - A child started school at an early age (age 4)
  - A child was advanced a grade level due to academic achievement or prowess
- Teams are gender specific.
