Divisions

There is a boy's division and a girl's division for the following grade division (currently enrolled):

4th/5th Grade

6th Grade

7th Grade

8th Grade

- For the 4th/5th division, teams can have players from the grade levels specified. For the 6th, 7th, and 8th grade divisions, teams are grade specific (players can play up a grade level, but not down).
- Should the number of teams registered for any one division reach 12-14+ teams; the division will likely be split into a **Gold Division** (upper) and a **Silver Division** (lower). The final decision whether or not to split a division will be up to the SoCo staff. Teams are gender specific.
- We ask that competitive teams, who have been consistently dominant in their age group, consider playing up a division to create a more even playing environment for all teams involved.
- Players are only eligible for one roster per division. A player may participate in more than one division (at a higher level and/or if the division splits into Gold and Silver). In such a situation, the player assumes the risk of any scheduling conflict. Teams are gender specific.

Games:

All spring games will be tipped-off during the following timeslots:

- Friday: 6:00pm-9:00pm
- Saturday: 9:00am-9:00pm
- Sunday: 12:00pm-7:00pm

In consideration of family planning, all schedules will be given out prior to the first game and are established for the remainder of the season. Games consist of two (2) twenty-minute halves, modified running clock. Adjusted Colorado High School rules govern play. Each team will be scheduled for eight games. The league will be topped off with an end of season single elimination tournament. Practice facilities/times are the responsibility of the coach. Each team is responsible to provide one representative at the scorer's table for each game.
