

# PEANUT BUTTER QUEEN™

Model 101-B

Produces pure “SMOOTH OR CHUNKY” peanut butter in its natural form and nutty flavour.

Simply pour fresh dry roasted split peanuts into the hopper and “presto”, you have one of nature’s most perfect foods.

The “PEANUT BUTTER QUEEN”™, manufactured in Canada is made of only the finest quality materials.

Each “PEANUT BUTTER QUEEN”™ goes through a number of quality control tests, and is actually tested grinding peanut butter before leaving our warehouse.

Operation is simple and cleaning only takes five minutes.
