

ANNUAL CHARITY EVENT

Each year, Dance Dynamics hosts a Charity Show during the month of February. While our cause may change each time, the value of teaching our dancers about giving back to the community does not change. This year our Annual Charity Event, "Small Steps, Big Effects," is scheduled for Saturday, February 1 at 2pm at Louisburg College Auditorium.

As you are enjoying your holiday season, we know that sometimes you may go shopping and find great sales. We wanted to give you a heads up about the items we will be collecting this year in case you want to shop those incredible sales. Please know that we are not pressuring as there are so many ways to give back to the community. Simply put, if you would like to help with our event, here is what we are doing.

This year we are collecting donations for Myra's Angels Foundation through Girl Scout Troop 1337. Myra's Angels Foundation is a non-profit organization that is dedicated to providing support and comfort to homeless and foster children by ensuring that each child has access to basic essential items through a bag full of love.

Admission to our Charity Event will be donated items or cash donations. Our dancers are preparing a spectacular showcase of dancing! Please invite your friends and family and come out to help our dancers support important causes in our community.

Donations for Myra's Angels Foundation
