### Requirements to book a group with Porinetia

#### Adventures:

For travel to Tahiti: Deposit of \$200 per person for Air only and \$150 for hotel stay.

### Why are group air rates sometimes higher than what I see online?

The airlines base their fares on multiple factors. When blocking group space, the airline computes an average price based on the number of seats. Sometimes that price is a little higher than what you may see online. However, what you see online is for a small number of seats. With the group rate, you have the rate locked in for all passengers. Also, you have a guaranteed rate for a longer period of time that doesn't have to be paid for until roughly 45 days before departure. The online flights must be paid in full at that time and are non-refundable.

### Getting started:

Before we start the booking process, we will need to collect the following information from the group organizer:

- Destination
- Travel dates
- Number of travelers
- Number of rooms
- Type of travel package: Air only or Air + hotel or Air + hotel + transportation
- Preliminary List of names (if it's available)

### Group Terms and Conditions:

Because of our contract and agreement with our travel partners, Porinetia Adventures follows all the terms and conditions that applies to all group's travel. We do respect all the rules that are stated in each group contract and we are committed to apply them each time we will need to. That is why it is important for the group organizer and each member of the group to acknowledge the rules and be aware of it. We encourage you to read all the terms and conditions before making any commitment.

### Booking process:

Our team will work with our travel partners to get a group rate as soon as possible. We will send a Group contract to the Group organizer with all the necessary information regarding the trip. Then the group organizer will have to collect the deposit from each traveler to block the group reservation. There is usually a period of 10 to 14 days to collect the deposit before the group reservation cancels. After the deposit has been made, we will work with you to set up a convenient payment plan with all the group members. Porinetia Adventures also offer a free access to an online page on our website [www.porinetia.com](http://www.porinetia.com), just for your group so you could make payments directly online.
