

Yu-Gi-Oh! TCG

Structure Deck Tournament

- Side Scrollers Format -

Updated 5/3/18

LINK MONSTERS + EXTRA MONSTER ZONES ARE ALLOWED!

A few things to note:

- Each deck, side deck, and extra deck will be checked and counted before the tournament starts. If there is a violation before the tournament begins, you will need to make an adjustment and have the deck reviewed again.
- Extra Monster Zones are reserved only for Links. You cannot summon any monsters in those zones except for Link monsters.
- Main Monster Zones can be used for Extra Deck Monsters, even without needing Links; **however**, Link monsters must first use the Extra Monster Zone before they can be summoned in the Main Monster Zones. Furthermore, additional Link Monsters must be summoned to zones that Link Arrows point to.
- We will follow the current TCG Forbidden List but with **some** exceptions:
