- 1 vs 1, Double Elimination Tournament
- Matches will be Best of 3, with each Winner's Finals, Loser's Finals, and Grand Finals being best of 5.
- Stock: 3 Lives
- Time: 6 minutes
- Loser's pick for stage selection. First stage selection must be determined in a timely fashion by both competitors and before characters are selected. If a consensus cannot be reached, then both players will determine which player chooses stage via rock-paper-scissors.
- Allowed stages: Smashville, Town and City, Lylat Cruise, Yoshi's Island (Brawl), Pokemon Stadium 1, Pokemon Stadium 2, all Final Destination and Battlefield stages (except Big Battlefield) or any triple platform stage with hazards turned off.
- Changing the rule settings before a match begins will result in a Stock Loss to the offending player(s). Second violation constitutes a game loss to the offending player(s). Third violation will lead to disqualification, no exceptions.
- Pause will be disabled.
- Score Display: On
- Final Smash Meter: Off
- Items: Banned
- Mii Fighters: Banned
- Players who use wireless controllers may not interrupt another's match. Caught doing so leads to an automatic disqualification.
- No coaching is permitted.
- Any form of cheating will lead to an automatic disqualification and possible ban from site.
- If you're not competing in a current match and interrupt the current game, you will receive a Game Loss. Second offense will lead to Match Loss. If the offense is severe, then disqualification and ejection from venue will be issued.
- Players must abide by the Spirit of the Game. Thus pot splitting is strictly forbidden. Offenders will be banned from future tournaments at this venue.
