LEARNING TO USE YOUR BIBLE **SET 2**

The Bible is made up of 66 books, 39 in the Old Testament and 27 in the New Testament.

Each book in the Bible is then divided into CHAPTERS and each Chapter is then divided into Verses.

Turn in your Bible to the first book – Genesis. You will see a big 1. That shows you the chapter. Now turn through the book of Genesis and see how many chapters it has:

GENESIS has _____ chapters.

How many chapters does:

The book of **Esther** have? _____

The book of **Ruth** have? _____

LEARNING TO USE YOUR BIBLE **SET 2**

We will be looking up some chapters in several books in the Old Testament. You are to write out the first word of that chapter.

2 Samuel, chapter 18 _____
(2 Samuel 18) (first word)

Job, chapter 19 _____
(Job 19) (first word)

Nahum, chapter 3 _____
(Nahum 3) (first word)

In a Bible reference the first number after the name of the book tells which

_____ to look in.
(fill in blank)

LEARNING TO USE YOUR BIBLE **SET 2**

*Each **CHAPTER** in a book of the Bible is divided into even smaller parts called **VERSES**.*

Turn to the Book of **GENESIS**. Now find Chapter 3. In Chapter 3 are verses. Each verse has a small number by it. (Sometimes they skip number 1.) Look until you find the last verse of Chapter 3. It will be verse 24.

*We will now look up some chapters and see how many **VERSES** are in them!*

Deuteronomy Chapter 32 has _____ verses

Isaiah Chapter 2 has _____ verses.

Psalms Chapter 117 has _____ verses.
(shortest chapter in Bible)

Psalms Chapter 119 has _____ verses.
(longest chapter in Bible)

LEARNING TO USE YOUR BIBLE **SET 2**

*When we want you to look up a special verse in the Bible,
We give you a Bible reference like Joshua 1:9.*

In this reference **Joshua** tells which Book to look in.

The number 1 tells which Chapter to look in.

The number 9 tells which Verse to look up.

In the reference **EXODUS 24:2**
which number gives the **CHAPTER?** _____

In the reference **JEREMIAH 51:7**
which number gives the **VERSE?** _____

In the reference **JOEL 3:11**
which number gives the **VERSE?** _____

LEARNING TO USE YOUR BIBLE **SET 2**

Many times we will read more than one verse. If you see a reference like this:
JUDGES 6:8-12

You would say Judges six, eight through twelve.

This means you are to find the book of _____, Chapter _____
 and begin reading at verse _____. You keep on reading all the verses
 through the end of verse _____.

CIRCLE THE RIGHT WORD:

In the reference 1 Samuel 25:2-5

....the number **25** is a **Chapter** **Verse** number.

....the number **2** is a **Chapter** **Verse** number.

....the number **5** is a **Chapter** **Verse** number.

LEARNING TO USE YOUR BIBLE **SET 2**

THIS IS YOUR LAST PAGE!

Look up each reference and write out the first 3 words.
