

**KIDS' KLUBS INC.
1953 - 2017**

November

Dear Friends

As we think about all that God has done this year, we are so thankful to Him for His faithfulness. We thank God for you, too, for your faithful financial support. You are a blessing to Kids' Klubs.

We continue to praise God for our klubs this year. Many are seeing an increase in attendance and are encouraged. A couple of our klubs, including the one we teach, is struggling with attendance and would appreciate your prayers.

We are praising God for our newest board member, Ron Brokaw, from Walnut. He and his wife Kim have been involved with klubs since their girls were in grade school. He and Kim are currently helping Carol Debruhl with her klub in Ohio. We now have a full board and actually had all in attendance at our board meeting this month. We appreciate the dedication of our Board members and know that God uses them to help give direction to this ministry.

And one of our blessings is to finally have the bedroom and bathroom done. We are enjoying using them and having our living room back. You will be able to see pictures of the rooms by going on our new website: www.kidsklub.org (*Notice that we have left off the second s on klub.*)

As we write this letter, we are finishing up the last few materials for the November Teacher workshops. It is a blessing to meet with the teachers and hear how their klubs are going. We always want to be available to help and encourage them. We praise God for the dedication of our klub workers. There are always more than 100. As busy as we all are, it is amazing to us that so many are willing to give time to reach children for the Lord. What a Blessing they are!

We would not be able to provide so many materials for the klubs without the help of our office volunteers. Several have helped for almost 20 years!! Then we have a few new ones. All of them are a blessing!!

May God bless you.... Happy a wonderful Thanksgiving!

Praising Him,

**Rene & Lynn Noble
