NEW HOPE'S 2019 GRADUATION - THE BEST EVER???

New Hope has had many great graduations. However, New Hope's 14th graduation was amazing! From the awards to the students... to the faculty... to the Coordinators, Carlos and Violeta... This certainly was one of More Than Conquerors Institute's best years ever.

What a blessing it was to see our former directors, Moises and Ana and their family. Wow! Words can not describe our feelings!

And, what an accomplishment for the 6th graders and seniors. One of the graduates had been with us since she was a baby (literally). And, to watch Blanca walk down the aisle as a young lady ready to take her place in Nicaragua society, was such a blessing!

We wish you could have been

there.. oh... some of you were there (almost), as you watched the graduation "live" on Facebook (our first video).

If you missed it, it is not too late to see firsthand, how the Lord has used your prayers and gifts to make another graduation a reality. The video is still available at: [facebook.com/NewHopeChildrensFoundation/](https://www.facebook.com/NewHopeChildrensFoundation/)

Thanks so much for being there for these wonderful children. Your "prayers and gifts" have made it possible for us to share Christ with them. Thanks for helping us to prepare them so they can stand tall for Jesus Christ wherever the Lord will lead them in life.

Yes, with God's help, you have done it again... Your "prayers" and "gifts" have not only made this possible... but your "prayer" and "gifts" will go on giving... from generation to generation.

EMAI Receives a Website Facelift

ONE WEBSITE NOW HAS IT ALL

All the ministry outreaches of EMAI are now located on one website.

Although, our website is not yet finished, you are welcome to take a peek at it: www.emai.org.

As I was building the website, I was in awe at what the Lord has done. Needless to say, we give God all the glory and honor for the great things He has done.

NOW IS THE TIME!!!

We believe that this is the time to greatly INCREASE our mission outreach in Nicaragua, and EXPAND into ALL the countries of Central America, Panama, Belize, Costa Rica, El Salvador, Guatemala and Honduras, as well as Cuba. This has been the vision on our hearts since 2003.

In the “natural” this is quite impossible! We actually borrowed money during December to take care of New Hope’s basic needs, much less have the finances to EXPAND our outreach in Central America and Cuba.

THANKS SO MUCH FOR YOUR “PRAYER OF AGREEMENT” that God will raise up the finances to make this possible. We are not waiting on the finances! We are going forward BY FAITH knowing that God WILL SUPPLY OUR EVERY NEED!!!

Thanks so much for your “PRAYER AND FINANCIAL SUPPORT” of E.M.A.I. for the month of December. YOUR HELP IS SO APPRECIATED!!!

We did not have the space to begin sharing about “the chip” this month. We hope to soon.

PRAYER CONTINUES... IT’S THE 1,370th DAY OF OUR UNBROKEN RADIO PRAYER CHAIN - 32,019 PEOPLE PRAYED FOR - 12,710 “PRAISE REPORTS” www.EMAI.org
