## LABORERS FOR THE HARVEST

### LABORERS FOR THE HARVEST IS MOVING FORWARD...

I was fully expecting to receive response concerning those coming forward to help us gather in the harvest in Central America. However, as of the printing of this News Break, not one person has answered the call (Beth who moved to Ennis, is now working with our radio station.)

I have a vision of distributing at least one hundred MTC courses to thousands of pastors throughout Central America. However, now it is merely that... a vision.

Even with "no response," I am not detoured from the vision. It seems adversity makes me even more determined to storm the gates of hell!!!

I certainly understand that many do not have the time to help me put the finishing touches (outlines, final editing), on the courses. Most ministers are just too busy to do this. I understand completely. I am not finding fault with anyone, just stating where we are at this time concerning Laborers for the Harvest.

So, I prayed... asking the Lord, "What do I do now. I felt this vision was from you, but there is no way it is going to happen now... without a miracle... without some kind of change... divine intervention." So here is the change I believe the Lord laid on my heart. It is a Scripture.

**...money answereth all things.** Ecclesiastes 10:19

## MIDNIGHT PRAISE IS NOW A REALITY ON POWER RADIO!!!

I believe the Lord laid it on my heart to begin "LIVE" MIDNIGHT PRAISE & PRAYER meetings.

**AND AT MIDNIGHT Paul and Silas prayed, and sang praises unto God and the prisoners heard them. And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed.** Acts 16:25-26

There is so much to the above Scripture, I have been expounding from it night after night.

But, here is the bottom line I want to bring to your attention, I don't believe Paul and Silas were praising the Lord to get them out of prison, I believe they were just praising the Lord because He was worthy of their praise.

Too often I believe we praise the Lord so He will do something... move in a particular way... give us what we are asking for, etc.

I believe in the midst of their pain from the severe beating they had received Paul and Silas were just praising the Lord because He is worthy of praise. I don't believe they were asking the Lord to open the prison doors and loose them from their chains. The fact is, even when the Lord did this for all the prisoners, none of them, including Paul and Silas escaped,

The Midnight Praise meetings we are having over the air and the internet around the world, are not to ask the Lord for anything... just to love and praise Him.

Why don't you stay up tonight and join us from here in Nicaragua... at midnight (CST)... as God's children from around the world unite together for MIDNIGHT PRAISE??? ([www.powerradio.org](http://www.powerradio.org))

*LFTH continued...*

I have understood this Scripture for a number of years and practiced it. However, I have never presented it or preached on it.

This is where we are in gathering in the harvest in Central America. We are poised on the brink of a miracle! God has given us the plan to raise up thousands of laborers to go forth into the harvest fields in: Nicaragua, Honduras, Guatemala, Costa Rica, Panama, El Salvador and Belize (plus Cuba). So what can hold us back... lack of volunteers to help us put the finishing touches on the courses and/or... **LACK OF MONEY SO WE ARE UNABLE TO HIRE THE WORK DONE.**

I am now believing there will be absolutely **NO LACK!** This vision will be accomplished... this last day's harvest will be gathered in!

I have worked very hard, often "night and day," to see the various visions God

Mission to Miskito Indians

has given us for E.M.A. fulfilled.

I have gladly worked without any financial remuneration, because that was what it took to get to where we are. If I had taken even a modest salary, there would not have been any or very little finances to meet the mission needs of E.M.A. I am certainly not complaining... it has been and is such a joy working for the Lord. I would pay to do it!

Now that we understand that "MONEY ANSWERS ALL THINGS," I need you to pray with me **FERVENTLY** for the necessary finances to be able to employ people to get this job done.

We do not have any extra finances coming in each month to hire even one person to work in this area.

This means the finances to make this vision a reality... must come in above and beyond the current level of giving.

Will you "pull out all the stops" and **BELIEVE GOD WITH ME???**

Let's **DO IT!** Let's believe God together for the increase that will make gathering in the harvest of Central America a reality!!!

## **GOD IS TRULY BLESSING OUR MEETINGS HERE IN NICARAGUA**

Great service at our "home church" in Managua with Pastors Carlos and Violeta.

Powerful service in an open air meeting Sunday afternoon! Souls were born into the Kingdom and many were prayed for to receive healings and miracles.

**Thanks so much for STANDING WITH E.M.A.**

**Who would think that God would take such a "small cake of barley bread," and use it to minister to thousands of INDEPENDENT ministers in 44 countries around the world. It's only God my friend!**

**And, now we have set our focus on all of Central America, some 44 million people. I believe the Lord has given these 7 countries unto our hands. This was our vision back in 2001. And, here we are moving forward into it some 19 years later. TO GOD BE ALL THE GLORY!!!**
