The MINISTRY to INDEPENDENT ministers SINCE 1933...

EXTENSIONS OF MTC IN NICARAGUA

Pastor Carlos the Director for MTC in Nicaragua, addressing one of MTC Bible schools.

What a blessing it was this past February, to visit one of our MTC schools with pastor Carlos. When you walk into the class, it's evident the 94 students were excited and on fire for God!

These students are from five different churches. Their pastors were sitting up in front with the local church pastor.

This has been our vision since 1993. The “pastor” becomes the “professor.” “Members of the congregation,” become the “students.” The “church facility,” becomes “the campus.”

As a result of the advent of the coronavirus, we have had to put our outreach to other Central American countries on hold. A number of these countries have closed their borders. As soon as it is possible, we plan on going to these nations.

SPEAK THE WORD!!!

...but say in a word, and my servant shall be healed. Luke 7:9-10

We all know the story of the centurion who came to ask Jesus to heal his servant.

We learn from this story that Jesus was amazed when He found such great faith as this centurion demonstrated. He said that He had not found such great faith anywhere in Israel.

The centurion said to Jesus, “You don't even have to come to my house, just speak the word.” He knew Jesus had authority and His word had power.

In so many words he said, “I know your physical location doesn't mean anything. Whether ‘here or at my house,’ has absolutely nothing to do with whether or not my servant is going to be healed. I know the Power and the Authority is in your Word.”

The man knew what it means when something is subject to a higher power. And he knew that this sickness that was on his servant was subject to the Words that Jesus spoke.

After we had prayed for sometime on the radio for many people's needs, I felt that something was missing. As I sought the Lord to see what it was, I believe the Lord lead me to instill the power of the Word in my prayers. So since that time, whenever we pray, the Word is the “centerpiece” of our prayer.

This is why I'm so glad you have taken the time to read this message. We must never forget the power that is in God's Word! His authority is in His Word.

The worlds were framed by His Word.

Through faith we understand that the worlds were framed by the word of God, so that things which are

seen were not made of things which do appear.
Hebrews 11:3

This stuff that we see, were not made of things that we can see. The natural was made by the supernatural. The visible was made by the invisible.

And the Roman officer understood enough of this to be able to say, "Look Jesus, you don't have to explain anything to me. I know there is great power in your words. I know that everything and anything is subject to you and your words. So don't even go out of your way. I know you are busy. Just speak the Word

and my servant will be healed."

This soldier understood authority. And he understood that everything in the natural world was subject to the one that created it all out of nothing from the supernatural world.

When we have faith in the Word of God, we will believe what it says. And believe that what it says can meet our every need. When the rest of the world is freaking out from the coronavirus, God's Word will steady our lives and bring comfort to our hearts.

Here is the truth... all viruses are part of this natural world. And as such, are subject to the One who made the world.

The Word of God has authority over this natural world because it was that same word that spoke everything that there is into existence in the first place.

Not only will the Lord keep us from evil, from sin... but He also has power to keep the coronavirus away from us.

But the Lord is faithful, who shall stablish you, and keep you from evil.

2 Thessalonians 3:3

The truth is... we must stand on the Word and resist the coronavirus and it will flee. Our six foot of space between one another can become a six foot space of protection that will stop the virus dead in its tracks.

Though the coronavirus may be big and ugly and scary... our God is bigger... our God's Word is stronger!

Let's submit ourselves to God... resist the coronavirus and it will flee from us!!! (James 4:7)

Jesus declared in Matthew 21:21, that if we have faith, and do not doubt... mountains will move for us.

Yes, it's time to speak to this virus mountain and tell it... "You have no authority in my body... you have no authority in my family... you will not affect anything that the Lord has given me!!!"

I command you now... to go... in Jesus Christ name!"

Yes, Christ has the VICTORY for us... if we will only believe!

LET'S FACE THIS TOGETHER!!!

... pray one for another, that ye may be healed... James 5:16

How can we face this virus together someone might ask? **BY PRAYING FOR ONE ANOTHER!!!**

We have learned firsthand that there is power in united prayer by a righteous people.

I want to encourage you to become a regular "listener" and "prayer warrior" with Midnight Praise. We believe this is so important right now.

We have almost 500 Prayer Warriors (and others) who receive Power Update every night at midnight.

If anyone we know or someone in our family tests positive for the coronavirus, we are going to be contacting everyone on this prayer list so they can immediately begin to pray fervently for that individual.

If you are receiving our Power Update email every night at midnight, you are on this list. If not, please email us your email address.

For Such a Time as This...

we believe God has raised up E.M.A. to stand with "independent" ministers around the world. Through our international daily prayer program we are standing with E.M.A. ministers as they face the coronavirus. This is a special challenge in 3rd world countries. We are blessed to be able to communicate with many ministers via the internet. THANK YOU FOR STANDING WITH E.M.A. WITH YOUR PRAYER AND FINANCIAL SUPPORT AT THIS CRITICAL TIME!!!
