Standards

- Traditional raised panel wood grain design.
- Hot dipped galvanized pre-painted steel.
- Interior return rails hem the entire length of section for added strength and safety.
- Commercial grade vinyl retainer with thick vinyl weatherstrip for extra strength, runs the entire length of the bottom to conform with the floor and seal out the elements.
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, and nylon rollers. Torsion or extension springs deliver years of trouble-free performance and continuous smooth opening and closings.
- Mechanical security cylinder lock and key, or inside slide lock.
- Backed by a 1 year warranty against splitting, cracking, and rust-through.

2500 Builder's Series Options

- Colors: Standard white, sahara, sandstone and almond, or can be painted to match any color trim.
- Insulation: Energy efficient polystyrene insulation covered with a heavy white vinyl backing to provide protection and an attractive finish.
- Windows: Decorative windows and snap-in glazing inserts are available to compliment your homes architectural style.
