Save the form as a PDF and email to: moorfields.croydonurgentcare@nhs.net

We will triage and contact the patient directly with an appointment/advise on alternative services

Walk-in patients will be re-directed back to the referrer

If same day review is required, please email the form and also telephone us on [07525800834](tel:07525800834)

- ABRIDGED REFERRAL GUIDE:**
- This clinic is for adults and children that you feel have a sight/life-threatening ophthalmological condition that requires hospital eye care within two weeks (including but not exclusive: penetrating/severe blunt trauma, chemical injury, sudden loss of vision, acute severe pain, acute angle closure, sudden onset diplopia, acute post-op complications)
 - For patients who meet COS referral criteria, and for non-urgent sight or life-threatening conditions, please refer to COS on cos.triage@nhs.net or 020 7193 1665 (for GPs via E-RS)
 - If you are unsure whether your patient fits the criteria please complete this form - it will be triaged according to clinical need and we can advise on next steps.
 - Moorfields Croydon Rapid Access Clinic opening hours are: Monday-Friday, 8:30-16:30. For out-of-hours referrals that require immediate hospital eye care, contact the on-call ophthalmology team at Moorfields St. George's on 02087251794
