2017–2018 Brochure

Welcome

Nrityasree Dance & Music strives to provide the best training in Indian classical dances and Carnatic music. Our training focuses on developing focus, strength, discipline, self-confidence. We inspire and educate every student to recognize his/her innate potential to excel and lead a successful and fulfilling life.

It has been proven that learning classical dances and music at a young age will not only instill discipline but also promotes mental, intellectual and physical wellbeing. Moreover, dancing is a fun way of getting good exercise, and learning to focus at the task in hand.

Student's training level will be decided based on an evaluation at the time of registration. Any previous training in the dance form the student is interested to pursue will be taken into consideration.

Dress Code

For maintaining an original Indian dance environment as much as possible, our school is mandating to wear the traditional dress, the “Practice Sari” for female students and “Dhoti Kurta” for male students. Sari color is different for different levels. Beginner level Sari color is blue with pink blouse and pink legging. Intermediate will get purple sari with green blouse and green legging. Advanced level student’s sari will be maroon with gold blouse and yellow leggings. These costumes are available for purchasing at a discounted cost from Nrityasree.
