

Get Your Boat Bottom Painted for Free When You Winter Wet Store at West Shore Marina!

Here is how it works. When you Winter Wet Store with us you get the following:

- **Free Paint Job*** - We will paint your bottom free between July 15 – Aug 31 with your paint or ours. The labor to paint is free.
- **Free Dockage during the Week Next Summer (Monday thru Thursday)** – When you schedule your free paint job. An ideal time to catch up on mid-season repairs, loading and cleaning.
- **Economical** - Wet winter storage with free bottom paint job is the best bargain anywhere and **you** do not even do any work! See our cost comparison below.
- **Security** – Completely sheltered area, most secure docks, fully bubbled, all floating slips with fingers, electric and water. Opened year-round with security guards.
- **Enjoyment** – Get more use out of your boat with year round shore side access. Low weekly and monthly rates in the spring and fall.

*Conventional paint and application only. Short haul, power wash, and all other labor to be paid by customer.

Offer good only during Summer immediately following Wet Storage Season

Cost Comparison			
(Using a 33ft boat as an example)
