

# Diver Rates

2018

West Shore Marina has a certified diver readily available for bottom cleaning, inspecting, changing zincs and recovery.

**Initial, single or one time only dives for cleaning bottoms: \$6.70/ft**

**Diver Maintenance Programs** are available to those boaters wishing to have their boat bottom cleaned on a regular basis. The following rates apply for those customers on a maintenance program who have had the required initial cleaning dive, or have freshly painted boat bottoms and have been recently launched:

<u>Frequency</u>	<u>Rate</u>
Weekly	\$3.20/ft
Every 2 Weeks	\$3.50/ft
Every 3 Weeks	\$4.00/ft
Monthly	\$4.35/ft

All bottom cleaning services include waterline, all underwater surfaces, thru-hulls, speed wheel, shaft, propeller and zinc inspection. Twin inboard or I/O powerboat rates include “reasonable growth” and may be subject to additional charge for second drive depending on severity of condition.

Diver can **Change Zincs** underwater without having to haul boat: **\$16.15/zinc** + cost of zinc.

**Search & Recovery, Bottom Inspections, Removal of Tangled Debris, etc: \$280.00/hr (1/2 hr min.)**

**Emergency Services available evenings and weekends:**

Dives outside regular operating hours of Mon.-Fri. 8 am-5 pm will be charged at 2.5 times regular rate.

**Please contact our Service Desk (631-427-3444 x2) to arrange all dives and for any inquiries.**

**\*\*Dives will be conducted between April 15 and November 1\*\***
