Issuance Criteria & Guidelines

No outside burning will be permitted during a burn ban issued by the State of Oklahoma Governor's Office, Oklahoma State Dept. of Agriculture and/or the State Fire Marshal's Office. Due to the potential fire hazard/fire spread, Union City will **NOT** permit burning during a "Red Flag" fire alert and/or when wind speeds are exceeding or predicted to exceed 15mph.

1. Any person or resident obtaining a burn permit does so at his own risk and in no event, shall any liability or damage be imposed upon the representative approving the permit, The Town of Union City and entities including the Fire/Police Departments, if any damages are sustained as a result of any burning.
2. Failure to comply with any provisions of this permit and/or its application as well as failure to contain the controlled burn, may result in the loss of future burning privileges and the issuance of citations and/or billing for the town for cost of the fire department.
3. Approved burning permits are valid for seven (7) days. Permission to burn is granted daily. Contact must be made each day that burning is to be done.
4. Each person or resident is responsible for providing adequate safety precautions to control the open fire.
5. The burn permit site and the materials to be burned are subject to inspection at any time by a member of any Town of Union City employee.

Signature_____ Date: _____
By signing this permit, you accept and understand all provisions of the Burn Permit process.
