SSPC C-3 Supervisor/Competent Person Training for Deleading of Industrial Structures

Dates: June 4 - 7, 2018
Duration: 4 Days / 32 Hours, Including Course Exam
Class Times: 8:00 - 5:00
Cost: \$1095
Location: Pittsburgh, PA – Avalotis Corporation – Verona, PA
Required: SSPC QP-2 Certified Contractors, PennDOT, various DOTs and others

Who Should Attend: Coatings inspectors; Project Managers; Resident Engineers; Senior Project Engineers; Project Administrators; Special Provision, Technical Plan Specification Writers.

Registration: This course is limited to the first 16 registered attendees. Confirmation and additional course information is provided upon receipt of completed registration form **and** payment.

The SSPC C-3 course was substantially revised in 2016! C3 contains specific discussions on protecting workers, compliance with environmental regulations, proper management of waste streams and operations that result in potential exposures to lead and other hazards, and associated control technology. It includes background information on the hazards of lead and other toxic metals as well as a review of the current legal and regulatory issues. The course also addresses developing programs to effectively control risks to workers, the public, and the environment.

- Hazardous Coatings and Materials in Industrial Painting
- Legal and Liability Issues
- Health Effects of Hazardous Coatings & Materials
- Identification of Hazardous Coatings/Hazardous Materials
- Air, Soil, Water/Sediment, and Dust Regulations and Monitoring Strategies
- Worker Protection from Hazardous Coatings/Materials
- Respiratory Protection and PPE
- Management of Solid and Hazardous Wastes
- Sources of Hazardous Coatings Exposure
- Control of Environmental Releases (Containment and Ventilation)
- Specifications, Submittals, and Site-Specific Compliance Programs
- Pre-Planning and Worksite Preparation
- In-Process and Post-Competent Person (CP) Responsibilities/Demobilization

Most lectures/discussions are complimented with show-and-tell demonstrations. Hands-on workshops follow most units and reinforce the key points and test the knowledge gained through skill evaluations. Brief daily homework assignments reinforce key concepts and helps students prepare for the 100-question multiple-choice examination. To receive a certificate and/or 3.0 CEUs from SSPC, students must attend all 32 hours of the course and attain a 70% or better score on the exam.

Instructor: Alison B. Kaelin has over 30 years of experience in nearly every aspect of the coatings industry including contract/regulation review, coatings, environmental, health and safety, quality compliance and auditing. She was the technical editor responsible for developing the original version of the SSPC C-3 course and has been a lead instructor since 1995. She is a SSPC Coatings Education and Technical Achievement Award winner and one of JPCL's "Top Thinkers" of the past decade. She is a contributor to the JPCL on regulations affecting the industrial painting industry. ABKaelin, LLC is a Pennsylvania certified DBE and consulting firm specializing in quality services, coatings and EHS consulting, training and contractor certification and program development for the industrial coatings industry.
