SSPC C-5 Supervisor/Competent Person Refresher Training for Deleading of Industrial Structures

- Date:** March 15, 2019
Duration: 8 Hours, Including Course Exam
Class Time: 8:00 AM - 5:00 PM
Cost: \$395.00
Location: ARS Recycling Systems LLC, 4000 McCartney Road, Lowelville, OH 44436
Required by: SSPC QP-2
Registration: This course is limited to the first 20 registered attendees. Payment is by check or cash. Confirmation and additional course information is provided upon receipt of completed registration form **and** payment.
Pre-Requisite: In order to receive a certificate from SSPC, the attendee must have successfully completed the SSPC C-3 course.

The SSPC C-5 Supervisor/Competent Person Training for Deleading of Industrial Structures Refresher course includes the following:

1. Background information on health hazards of lead and other toxic materials
2. Worker protection from lead and other toxic metals
3. Regulatory update
4. Construction safety concerns
5. Control of environmental releases

Each participant receives a course manual. A 25 question, multiple-choice examination is administered at the end of the course. To receive a certificate and/or 0.8 Continuing Education Units from SSPC, students must attend all eight hours of the course and attain a 70% or better score on the exam.

SSPC indicates that successful completion of the C-5 course meets the competent person refresher training requirements for SSPC QP-2 Contractor Certification. It should be noted that this offering does not meet any state-specific refresher training requirements.

Instructor: Alison B. Kaelin has over 30 years of experience in nearly every aspect of the coatings industry including contract/regulation review, coatings, environmental, health and safety, quality compliance and auditing. She was the technical editor responsible for developing the original version of the SSPC C-3 course and has been a lead instructor since 1995. She is a previous SSPC Coatings Education and Technical Achievement Award winner and one of JPCL's "Top Thinkers" of the past decade. She is a contributor to the JPCL on regulations affecting the industrial painting industry. ABKaelin, LLC is a Pennsylvania certified DBE and consulting firm specializing in quality services, coatings and EHS consulting, training and contractor certification and program development for the industrial coatings industry.
