

Lambent Risk Management Services, Inc.

Your Human Resources Partner

How do you keep up with HR trends, news and benefits administration information?

Never miss a beat with our benchmark information, news on legislation changes and open enrollment information. Our up-to-date documents will save you time and keep you in the loop.

Are you compliant with current HR laws?

Our legislative materials can help you stay in compliance with COBRA, FMLA, Health Care Reform, ADA and more.

Is your employee handbook up-to-date?

No need to worry about communicating company policies and procedures to employees; we have an employee handbook and individual employment policies to get you started.
