

AMAUDO

Mission Statement

Amaudo UK works in partnership to create affordable, accessible and sustainable solutions for people experiencing mental health problems or learning disabilities in Nigeria.

Vision

A world that protects and promotes good mental health for all.

Key Aims

- To improve the skills and knowledge of the Amaudo Itumbauzo worker team and other associated health-workers.
- To increase the capacity of Amaudo Itumbauzo by accessing and utilising expertise, resources and funding in the UK.
- To increase awareness and promote Amaudo Itumbauzo and Amaudo UK.
- To work with other likeminded organisations to share learning and knowledge about mental health in developing countries.
