

Dear Sir or Madam,

The Shaun Jai Project is a community based outreach organization. We produce six major events each year and would like to extend an invitation for you to partner with us as a sponsor at one or more of our upcoming events. Our goal is to distribute flyers, advertise in local newspapers and on local radio stations. Every penny counts! All of the funds allocated from sponsors will be put towards marketing, promoting, and the cost of hosting each event.

By sponsoring one or more of our events, you are helping us to enlighten our community on such issues as teen suicide, depression, drug and alcohol abuse, teen pregnancy, domestic violence, and other issues that are continually plaguing our communities.

All sponsors will receive advertisement on flyers, in our souvenir magazines, and all online avenues, just to mention the least. Your generous sponsorship would be highlighted in announcements to the community, throughout the event itself and in all press releases.

We have designed "Sponsorship Packages" for you to choose which level of support will be a perfect fit for your company and/or organization. In advance we would like to thank you for taking the time to review our proposal and we look forward to hearing from you soon.
