

My name is Taylor Davison, my daughter Sloan will start Kinder at Innovation in the Fall, and we're all getting excited about her new school. I'm a stay at home mom with Sloan's brother, Rowan, who is 2 now. He is on the waiting list for the preschool at Innovation.

I'm really looking forward to playing an active role in my children's academic lives, and as a volunteer I am willing and able to tackle almost anything really. I love new challenges and I am pretty crafty. I'm a good baker, but also not bad with a drill. I love a good project and I don't mind getting my hands dirty. I look forward to meeting you in the future.
