Revised August, 2018

The Bridge Christian School

The Bridge Christian School's goal is to be Texoma's leading preschool program. Our program gives children ages 6-weeks through 12-years enriching opportunities to develop the whole child. We focus on learning through child-directed play experiences and curriculum time. We believe a balance of play and preschool enhances growth and development in all areas: physically, socially, emotionally, creatively, spiritually and intellectually. This is achieved in a safe and loving environment with caregivers who are dedicated to enriching children's lives. Screen time is never used to replace physical activity.

NON-DISCRIMINATION POLICY:

The Bridge Christian School does not discriminate on the basis of gender, race, color, religion, or national or ethnic origin in admittance, education, or other administrative policies and extends to all the rights, privileges, programs, and activities generally made available to students at the school.

REQUIRED POLICIES

The Bridge Christian School is licensed and regulated by the Texas Department of Family and Protective Services. The follow policies are required by Child Care Licensing per The Minimum Standards for Child Care Centers 746.501.

1. HOURS OF OPERATION

The Bridge Christian School is open from 7:00am-5:30pm, Monday-Friday, year round. We close to observe the following holidays: New Year's Eve, New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and the following Friday, Christmas Eve and Christmas Day. Full tuition is due for holiday weeks.

NOTE: If the holiday falls on a Saturday or Sunday, The Bridge Christian School may close the day before or the day after the holiday. Parents will be updated on each year's holiday schedule in January.

2. RELEASE AND DROP OFF OF CHILDREN

Per Texas state laws, parents have a right to access their child at any time. However, we strongly encourage parents to drop off their children by 8:30am each day so that the child can take part in our full educational program. In the event that a parent is unable to pick up their child, they may authorize another legal adult to pick up. Children must be signed in and out each day on their classroom roll sheet by the person dropping off and picking up.

Children will not be released to a minor. Authorized adults must be listed on the enrollment form to pick up and the authorized adult must bring a picture ID. Children will not be released to adults without a picture ID.

3. ILLNESS AND EXCLUSION POLICY

Children who are ill should not attend preschool. The Bridge Christian School observes the standards set by the Texas Department of Family and Protective Services for ill children. The most common standards for exclusion are:

1. Illness that prevents the child from participating in child care activities, ***including outdoor play.***

2. The illness results in a greater need for care than caregivers can provide without compromising the health, safety and supervision of the other children.
3. Oral temperature of 101 or armpit temperature of 100.
4. Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, uncontrollable diarrhea, 2 or more vomiting episodes in 24-hours.

If a child becomes ill while in our care, we will contact the parent immediately. We will care for the child apart from the other children with proper supervision and give extra attention to hand washing and sanitation practices. If a child is sent home sick from our program, they may not return until the child is symptom- free for 24-hours.

Parents need to pick up children within one (1) hour of notification. In the event of severe illness or injury, or if a parent fails to pick up their child within a reasonable amount of time, The Bridge Christian School may call for an ambulance at the parent's expense.

4. MEDICATION

The Bridge Christian School has adopted a general rule of not dispensing medications, with the exception of necessary medications dealing with certain disabilities for example; diabetes medication, asthma inhalers, and others as might be prescribed.

Please inform your physician that your child is in full-day preschool and that you prefer to give medications at home, morning and evening. Knowing this, many doctors will order longer acting medications. Limiting medications dispensed away from home prevents medication errors. Please remember, The Bridge Christian School is designed for **well** children. If medications need to be administered at school, the following conditions must be met:

- **Prescription medication will be accepted only if it is in the original container, properly labeled with the child's name, proper dosage and hasn't reached its expiration date.**
- Before any prescription medication can be administered, we must have permission in writing by the child's parent or guardian. Please fill out the medication forms and enter instructions into the Daily Medication Log Book. Please bring a copy of the information given to you by the pharmacy.
- Medication needs to go home after the last date that the medication is administered.

Health forms are required to be completed at the time of enrollment showing any allergies, physical handicaps, a statement of general health, and a current immunization history. These must be updated and kept current.

5. PROCEDURES FOR HANDLING EMERGENCIES

In case of minor injury or accident, the staff will administer basic first aid. All injuries or illnesses not requiring immediate parental notification will be documented and reported to parents when the child is picked up at the end of the day.

In case of medical injury or illness requiring immediate professional care (emergency), the staff will call 911, giving location and nature of emergency. As appropriate, the staff will administer CPR or first aid measures. Parents will be notified immediately. If parents are unavailable, those individuals designated as emergency phone contacts will be notified. **All children must**

have an emergency medical release form on file in case of such an emergency.

If a child ingests or comes in contact with a poisonous substance the staff will contact the Poison Control Center 1.800.222.1222.

6. PARENT NOTIFICATIONS

Open Communication with parents is very important to children's success. The Bridge Christian School has multiple ways of communicating with parents. In some situations, parents may be asked to sign documents acknowledging that communication has taken place. Listed below are ways that The Bridge Christian School may communicate with parents:

- Signs or postings at the front entrance
- Through email notifications
- Written memos placed in your child's folders
- Social media site such as Facebook and Class Dojo
- Verbal communication with the child's teachers and director
- Other means as might seem appropriate

7. DISCIPLINE & GUIDANCE POLICY

The Bridge Christian School staff members are trained to use a positive method of discipline and guidance that encourages self-esteem, self-control, and self-direction. Just a few examples used in this situation are: praise and encouragement of good behavior instead of focusing only upon unacceptable behavior; reminding a child of behavior expectations daily by using clear, positive statements and redirecting behaviors.

There may be times during the day when a supervised separation time is needed. This is a "time-out" and is used according to the child's age and development and limited to one minute per year of the child's age. The Bridge Christian School staff will never use Corporal Punishment or negative discipline that may hurt or humiliate a child.

Research has shown that positive guidance teaches children skills which help them get along in their physical and social environment. This aim is to develop personal standards in self-discipline, not to enforce a set of inflexible rules. Giving children understandable guidelines and redirecting their behavior helps them to develop internal control of their actions and encourages acceptable behavior. The Bridge Christian School reserves the right to terminate care for the child for discipline problems at any time.

8. SUSPENSION AND EXPULSION OF CHILDREN

The Bridge Christian School reserves the right to terminate a child for the following (but not limited to) reasons:

- Failure to pay tuition and/or applicable late fees
- Routinely late picking up your child
- Failure to complete the required forms
- Lack of parental cooperation
- Failure of child to adjust to the center after a reasonable amount of time
- Physical or verbal abuse of any person or property
- Our inability to meet the child's needs

- Lack of compliance with handbook regulations
- Serious illness of child

The Bridge Christian School and its staff retain the sole right and responsibility to determine any disputed factual matters regarding termination of enrollment.

9. SAFE SLEEP FOR INFANTS UNDER 12 MONTHS OF AGE

In compliance with Texas Department of Family and Protective Services regulations and in order to provide the best quality care, attention, and safety for infants under 12 months:

- Programs serving infants must place infants on their backs for sleeping, unless the child's health care professional orders otherwise in writing.
- Each Infant sleeps in an individual crib with a firm, properly fitted mattress and a clean, fitted sheet with no potential for head entrapment areas. Car seats and other sitting devices are not allowed for sleep routine. Cribs meet CPSC and ASTM safety standards.
- Blankets, comforters, pillows, stuffed animals, wedges, positioners, bumper pads or other soft padded materials or toys may not be placed in the crib with the Infant.
- Sleep sacks are an acceptable alternative for blankets ensuring Infants' heads remain uncovered during sleep. Only sleeps sacks and pacifiers without anything attached to them (such as loveys, clips, etc.) are permitted in cribs.
- The program will not swaddle Infants.
- Infants may not have bottles while in their crib.
- After being placed down for sleep on their backs, Infants may then assume any comfortable position they can roll into.

10. FOOD SERVICE & PREPARATION

The Bridge Christian School is a participant of the USDA's Child and Adult Care Food Program. We do not charge an extra fee for meals or snacks. In accordance with Federal Law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write to USDA Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington DC 20250-9410 or call (800) 795-3272.

The Bridge Christian School supplies cereal, baby foods, and iron fortified formula for infants. Parents are required to complete an "Infant Feeding Sheet" at the beginning of each month for children less than 12 months of age. This instructs us on how to feed your baby according to your directions.

The Bridge Christian School provides breakfast for all children present at 8:00 am. Lunch is served at 11:00 am. Afternoon snack is served after the rest period around 3:00 pm, and healthy USDA approved snacks are available to school aged children as they arrive.

Menus are posted on the information centers. Please advise the center of any allergies. All staff are educated on food allergies and take necessary precautions to ensure children are protected. All meals are prepared in the school's kitchen which is licensed and inspected regularly by the Wichita County Health Department and the most recent health inspection is available for review upon request.

All foods and liquids with temperatures of 110 degrees or higher are always kept out of the

reach of children. No outside food is allowed, except to conform to special dietary needs as required by a medical professional. If, due to special diets, food is sent from home, children must have access to fresh fruit, vegetables and milk.

11. IMMUNIZATION REQUIREMENTS

For the protection of all children and staff, all children enrolled at The Bridge Christian School must be current with the required immunizations. Immunization records must be current for all children enrolled in the Infant-Toddler, Preschool and Pre-K programs.

A copy must be in the child's file. It is the parent's responsibility to ensure that your child's immunizations are current. Failure to keep children current on immunizations may lead to disenrollment. Based on local health department guidelines, proof of TB testing is not required in order to be enrolled in our program.

12. HEARING AND VISION SCREENING

Hearing and Vision Screening for possible vision and hearing problems is required by the Special Senses and Communication Disorders Act, Texas Health & Safety Code, Chapter 36, for children who are 4-years old. 23. EMERGENCY PREPAREDNESS PLAN

Below is the Emergency Preparedness Plan designed for The Bridge Christian School. Parents are encouraged to read this information carefully. In the event a parent is present in the building during an emergency, The Bridge Christian School will ask parents to participate accordingly.

During any emergency the best course of action is to BREATHE AND STAY CALM, know how many children you have, and have your sign-in and -out log and transition sheet in your hands.

If you have children of your own in the facility, but in another classroom, trust that their teachers will take care of them just as you are taking care of the children in your care.

In all situations in this Emergency Preparedness Plan, "Director" refers to Robert and/or Kristina. In the Director's absence, the Assistant Director (Kristina) assumes the role of Director and then designates another staff member to assume the responsibilities of the Assistant Director. In all situations in this Emergency Preparedness Plan, the Director or designated person in charge will notify Child Care Licensing and/or the Health Department and/or call 911 as each situation dictates. In all situations in this Emergency Preparedness Plan, the Director or designated person in charge may delegate any portion of his/her duties to other staff members, volunteers or emergency personnel as he/she deems necessary.

TORNADO/BAD WEATHER

- Stay calm. Watch the kids, not the situation.
- Get your sign-in/out sheet and your transition sheet and stuff it in your clothing.
- Grab your flashlight.
- Take all of your children to the center hallway. Have the children sit as close together as possible and have the children duck and cover. This will be familiar to the children since you practice this each time you have a severe weather drill.
- Infant classroom: Place your babies in two cribs and cover the top with a mattress from another crib. Place mattress sideways across top of the crib and huddle next to it. Role the cribs to the center hallways.
- Stay there until advised that the bad weather has passed.
- It can be helpful to quietly sing songs with the children to help them keep calm.
- The Director in charge will monitor local weather stations and the weather alert radio for updates.

COMMUNICABLE DISEASE OUTBREAK

- All staff members will vigilantly follow policies and procedures regarding diaper changes, toileting, hand-washing, food preparation and general common sense measures such as keeping surfaces clean, changing bedding, teaching children how to cover coughs and sneezes, etc., to prevent the spread of germs that cause illness in the first place.
- In the event of an outbreak, the Director, or person in charge, will notify the Health

Department and Child Care Licensing to inform them of the situation and ask for instructions and guidelines to follow for specific illness or outbreak.

- The Director, or person in charge, will inform all staff members of instructions and guidelines and require them to follow the same.
- The Director, or person in charge, will also notify all parents about the situation in writing within 48-hours as required by the Texas Department of Family and Protective Services and Child Care Licensing.
- All staff is to follow the school's confidentiality policies when speaking of the above outbreak. Any violation of the confidentiality policy is grounds for immediate termination.

LOCK DOWN (INCLUDES WEAPON, HOSTAGE INCIDENT, INTRUDER, TRESPASSING, DISTURBANCE)

- The Director, or person in charge, will announce over the radio, "Lock Down" or other discrete code and will call 911. The director, or designated person, will supervise the front desk at all times during the incident, if possible.
- Upon hearing this, or sooner if you are aware that an intruder has entered the building or immediate vicinity, say calmly to the children a discrete phrase, such as "Rabbits in the Hole"; the children will know what to do because you practice this every month.
- Infant classroom: Place babies in two or three cribs with a few quiet toys. Place another empty crib or two in front of your classroom door. This might cause an intruder to change his/her mind about entering your classroom.
- Get your sign-in/out sheet and your transition sheet in your hands and stuff them into your clothing.
- Close all your classroom doors and lock or block them if possible.
- Turn off the lights.
- If you have reason to believe that no one else in the center is aware of the danger, and you can safely do so, use the radio to calmly announce the secret code for "Lock Down".
- Whisper and remind the children that "we are to be very quiet."
- Do a name/face check silently.
- Keep the children and yourself safe, in place, and away from all interior and exterior windows.
- Watch the children, not the situation!
- If the intruder enters your classroom, do not argue with him.
- The Director, or person in charge, will ensure that all building entrances and exits are locked and that no unauthorized individuals leave or enter the building.
- Await further instructions from the Director, or person in charge, or emergency personnel.
- Breathe and stay calm.

ACCIDENT

- Make sure all children are supervised. If you are alone, tell them to sit down near you.
- Comfort the child by speaking in a low, quiet voice.
- Apply first aid as needed.
- Call the office if you need further assistance and/or the Director, or person in charge to call 911.
- If the child is bleeding profusely, apply pressure to stop the bleeding. (In an extreme case, take off the child's shirt and use that.)
- If injury is to the head or face, report it to the office immediately - even if it is minor.
- Complete an Accident/Incident Report, have the Director sign it immediately, and have the

parent sign it when the child is picked up.

- Turn the Accident/Incident Report in to the Director, or person in charge, before you leave on the same day.
- Keep the Accident/Incident Report confidential while in your presence.
- In the event of serious illness or injury involving an adult, contact the office and a Director, or the designated person in charge, will call 911 and/or the person's emergency contact.

ILLNESS

- Ask the child, "What doesn't feel good?"
- Contact the front office and have the child's temperature taken. If the fever is over 100.4 degrees, the Director, or person in charge, will contact the parent.
- If no fever, make the child comfortable and keep an eye on him.
- If the child complains of pain, ask him to point with one finger where it hurts the most and then investigate that spot for injury or discoloration and call the office.
- Mild diarrhea: If no pain, call the office after the third episode.
- Projectile vomiting, call the office immediately.

EXPLOSION, CHEMICAL SPILL OR GAS LEAK

That occurs INSIDE the facility:

See procedures for FIRE and OFF-SITE EVACUATION AND RELOCATION

That occurs OUTSIDE the facility:

- Close doors and lock if possible.
- Turn off air conditioner/heater.
- Turn off lights, computers, TV, radio, CD player, aquarium pump or anything else that may cause a spark.
- Keep children seated on the floor and calm. Sing quiet songs or read stories.
- Be prepared to evacuate if told to do so by the Director, or person in charge, or emergency personnel.
- If you detect a strong odor, show the children how to lift up and breathe through their shirts.
- If told to evacuate, consider crawling to avoid strong fumes that are floating higher in the air. Ask for clarification, if time.

BOMB THREAT OR OTHER THREAT

- Write down everything the person says.
- Ask where the bomb is.
- Ask when the bomb (or other threat) will "go off" or "happen".
- Write that down, too.
- Check the Caller ID on the telephone.
- Write that down.
- Notify Director, or person in charge, to call 911 immediately.

OFF-SITE EVACUATION AND RELOCATION

In the event that it is necessary to evacuate the school property, the initial expected point of evacuation will be Fire Station 8, located at 2000 Southwest Parkway.

- Your primary responsibility is to keep the children safe.
- Keep your sign-in/out sheet and transition sheet in your hands or stuff them into your clothing.
- If time allows, gather children's diaper bags, bottles, baby formula/food, and coats.
- Children will be evacuated in the center's buses and vans from oldest to youngest so that older children can assist with keeping children seated at the evacuation site. Depending on the situation, the city may also send transportation vehicles.
- The Director is responsible for keeping a charged cell phone with him/her and overseeing and directing the evacuation process. She/he is the last person to leave the building.
- The Assistant Director is responsible for taking the emergency binder (of permission slips and parent contact information), the first aid kit, emergency medication (i.e. insulin, EPI pens, asthma medications), and a charged cell phone and accompany the first vehicle to the evacuation site so that he/she can be in charge of the evacuation site.
- The Director and Assistant Directors are aware of each cell phone number.
- The final evacuation and relocation site will be determined by emergency personnel.
- After all children and staff have been relocated to the evacuation site and are safe and have had all needs taken care of, the Director and Assistant Director will designate staff to contact parents and notify them of the situation.
- Staff members will continue to supervise and take care of the children, including entertaining them with songs, stories, games, etc. at the evacuation site. Watch the kids, not the situation.
- The Assistant Director will continue to supervise and take care of the needs of the staff.
- The Director will be the contact person for emergency personnel and parents.
- The center's usual verification process for allowing adults to pick up children from the center will be used at the evacuation site (i.e. only persons listed on the child's enrollment form as authorized to pick up will be allowed to do so after showing photo ID.).

FIRE

- When aware of fire or when alarm sounds, quietly say, "Fire drill boys and girls; line up at the door, please." This should be familiar to them since you say it every month when you practice monthly fire drills. *Your primary responsibility is to get the children safely out of the building. Do not attempt to put out the fire unless it is between you and a child or preventing exit.*
- Get your sign-in/out sheet and your transition sheet and keep it with you.
- Make a quick head count.
- Make sure you have everyone.
- Infants: Place all of the children in two cribs.
- Proceed to the proper fire exit and exterior meeting place as designated on the floor plan in the classroom. This is the same spot you take the children each month during your fire drill.
- Do a name/face check once you are outside and check it against your sign-in/out sheet and transition sheet. If anyone is missing, tell the Director, or person in charge, or a fire fighter immediately, but never leave the children unsupervised.
- The children must be safe (out of way of emergency vehicles and the fire) and supervised at all times. Watch out for anthills, broken glass and other hazards.
- Watch the kids, not the situation.
- The fire department, Director, or person in charge will tell you when you and the children can re-enter the building or begin off-site evacuation procedures.

COOK AND MANAGEMENT RESPONSIBILITIES

- When aware of fire or when alarm sounds, the Director sounds the alarm, if necessary, thus alerting everyone and notifying the fire department.
- She/he then proceeds to each classroom to ensure that everyone is out of the building.
- When aware of fire, or when alarm sounds, the Assistant Director takes possession of the emergency binder and says aloud, "I have the binder!" and then proceeds to assist the young toddler classrooms to safely exit the building.
- When aware of fire, or when alarm sounds, if the cook is in the building (and not when already counted in child/staff ratio), she will assist the infant classrooms.

25. CHILD ABUSE REPORTING LAW REQUIREMENTS

The Bridge Christian School staff are **REQUIRED** by Texas State law and licensing requirements to report immediately to the police or Child Protective Services (CPS) any instance when there is reason to **suspect** the occurrence of physical, sexual, or emotional child abuse, child neglect, or exploitation. Our staff receives annual training on recognizing and preventing abuse and neglect, including sexual abuse.

The Bridge Christian School has made a commitment to help increase awareness and prevention techniques to employees and parents through trainings, memos and monthly newsletters. The Bridge Christian School will also coordinate with community organizations on strategies to prevent abuse and neglect.

The staff may not notify parents when the police or CPS is called about possible child abuse, neglect, or exploitation, except on the recommendation of CPS or the police when they are called.

Some examples of abuse and neglect are: leaving a child in a vehicle unattended, not securing a child in a seat belt or booster seat, unexplained marks or bruises on opposite sides of the body, and child hygiene issues.

ADDITIONAL POLICIES

28. SCHOOL SAFETY POLICIES

Parents need to personally escort their children inside the building to sign in and out when their children enter and leave the facility. Parents are welcome to visit the center any time during the day to observe their child without prior approval. However, if you would like to stay and spend time with your child during activities, please see the office so we can do a proper criminal history check, as required by the Texas Department of Family and Protective Services.

Fire drills are practiced monthly and bad weather drills quarterly.

You will be notified of any incidents other than minor scrapes or bumps with a phone call. We will also give you a written report at pick up time. First aid will be applied to minor incidents. In the event medical attention is required, we will notify you immediately. Parents are responsible for all medical fees.

29. GANG-FREE ZONE

30. TUITION AND FEES

Tuition is due in advance, on Monday when you drop off your child, for the week of care. Payments are Past-due Monday evening and subject to a \$10 dollar per day late penalty on Tuesday morning. If payments along with late penalties are not made, your child will not be accepted for school on Wednesday. Any drafts or checks returned will be charged \$35 per occurrence.

31. EXTRA FEES

A non-refundable \$75 registration fee is due at the time of enrollment. During summer months and holiday times, an activity fee may be charged. Activity fees are for additional activities outside our normal planned curriculum. Parents will be notified in advance of activity fee options.

Our program is open Monday through Friday from 7:00 am to 5:30 pm. The Bridge Christian School is only licensed by the Texas Department of Family and Protective Services to care for children during these specified times. 33. PARENT REFERRALS

We greatly appreciate your business and know that you will be so pleased with our service that you will tell all your friends and acquaintances about us! Our greatest advertising asset is you!!

34. CONFIDENTIALITY

All information received from The Bridge Christian School must remain confidential at all times. Breaching confidentiality may lead to disenrollment.

35. PARENT CODE OF CONDUCT

Please understand that young children are present in our building. Some adult language is not appropriate for young children. The Bridge Christian School prohibits swearing or cursing on our property.

Threatening staff, children, or other parents will not be tolerated per Texas Department of Family and Protective Services. The Bridge Christian School has the right to terminate care in the event of disruptive behavior from a parent or guardian.

36. PARENT RESPONSIBILITIES

Children must be signed in and out by the custodial parent or adult person approved by the parent(s). Parents who fail to sign children in or out may be charged a \$5 penalty for each occurrence. Please understand that due to liability issues, staff members of The Bridge Christian School are not permitted to take children home from our center.

In order not to confuse school toys with a child's personal property, as well as preventing dangers, we ask that children not bring playthings from home. The Bridge Christian School staff cannot be responsible for lost or broken personal toys. Two exceptions to this are a stuffed animal for use during naptime by full-day preschool children and for Show & Tell purposes. You will be notified by your child's teacher if and when the class will have Show & Tell.

There are several ways you can help us maintain the best possible teaching atmosphere for your child:

- Communicate any concerns regarding our program or your child immediately to staff.

- Pick up and read the notices and information left for you in your child's folder and/or posted outside your child's classroom, at the reception desk, or in e-mail.
- Pick up your child's papers/projects daily. Their work is very important to them and provides another means of communication between parent and child and helps the parent share in the child's day.
- Please be aware of the scheduled meal times of breakfast and lunch, 8:00 am and 11:00am, and make sure your child arrives in time to be included in those meals, if necessary. Due to staffing and ration requirements, we are not able to feed a child later than the scheduled meal time. Understand that this causes a disruption in the classroom schedule, which affects all of the children in the classroom.
- When dropping off or picking up your child, please keep your visit brief. The Texas Department of Family and Protective Services requires that there be a distraction-free environment for the safety of all children in our care.
- Please do not allow your child to bring toys, drinks, food, gum or candy to the classroom. We **STRONGLY** encourage you to allow your child to eat what we are serving that day, unless, of course, food allergies are a concern. In that case, we ask that you bring a note from your physician. Any food brought from home will only be served at the same time that the other children are eating and **MUST** be taken home at the end of the day.
- Periodically check on your child's supply of extra clothing. Please take home soiled clothing promptly.

Parking: Except for during rainy or icy weather, do not park under the covered area in front of the entry doors. If it is necessary to park under the carport due to weather, make your stay brief, as there are other parents waiting to drop off their children, as cars parked there disrupt the traffic flow of the parking lot.

Texas Department of Family and Protective Services does not allow smoking on the premises, either indoors or outdoors.

37. WITHDRAWAL FROM PRESCHOOL PROGRAM

Fourteen (14) days written notice must be given for withdrawing a child from The Bridge Christian School. In the event two-week notice is not provided or if the child leaves before two-week period is completed, parents agree to pay for the full two weeks of the remainder, whichever is less.

38. CUSTODY SITUATIONS

The Bridge Christian School prefers **NOT** to get involved with custody disputes. The Bridge Christian School will follow a court order exactly as written. If your family has a court order on file, please provide us with the most recent copy.

PLEASE NOTE: PER STATE LAW, IN THE ABSENCE OF A COURT ORDER, BOTH PARENTS HAVE EQUAL RIGHTS. With this being said, it is imperative that all enrollment forms are completed with both parents information. A copy of a child's birth certificate may be requested at the Director's discretion.

In the event that a custody dispute takes place on our property, the local police will be called and asked to handle the dispute. Our staff will not be placed in the middle of such disputes.

If a custody issue creates a risk for our facility or staff, The Bridge Christian School has the

right to terminate care.

39. INCLEMENT WEATHER POLICIES

The Bridge Christian School will endeavor to open most days during inclement weather. Please check local TV stations; channels 3 and 6, and/or the center's Facebook page (The Bridge Christian School and The Bridge Wichita Falls) for announcement of closing.

In case of serious emergencies such as earthquakes, fire, storms, or loss of power/water, parents will be notified, if possible, and children will be cared for until parents or emergency contacts arrive.

39. CURRICULUM

The Bridge Christian School uses various curriculums in our classrooms. We choose these curriculums based on our belief that children learn best through actively engaging with people and things in their environment. Children are involved in hands-on experiences, real-life adventures, and assisted discovery as they explore concepts through play. The Bridge Christian School is a place where essential readiness skills are nurtured through play, investigation, and of course, fun! These programs provide developmentally and age- appropriate activities and materials for exciting and wonder filled environments.

40. DAILY SCHEDULE

41. CLASSROOM ASSIGNMENTS

Classroom assignments are based on each individual child's chronological age, developmental age, emotional age, and physical age. From time to time we may transition children within the

center, based on the individual child's needs.

42. CHILD TO STAFF RATIOS

The Bridge Christian School endeavors to stay below state ratios in most classrooms. From time to time, we may follow state ratios, but will never be non-compliant unless under emergency situations.

43. NAP/QUIET TIME

Supervised rest periods are provided for all children under five years of age who remain at The Bridge Christian School for six or more hours a day, and for all other children who show a need for a rest time. Your child will be provided a cot or mat to rest on for naptime. Parents are required to provide a clean blanket for naptime and take them home Fridays for washing. You may also bring in a pillow, or stuffed animal if desired, but they must be able to fit in your child's cubby.

Quiet time is observed between the hours of 11:30 AM – 2:00 PM. With the exception of necessary appointments, i.e. doctor, dentist and mandated visitation, children will not be allowed to be dropped off, during these hours.

44. CLOTHING

Preschool children must have a complete change of clothing, **clearly marked with the child's name**, left at The Bridge Christian School. Preschool children need to be dressed for the weather. Caps, mittens, and warm clothing must be worn during the cooler seasons for the daily outdoor playtime.

Accidents can happen, even for the older preschoolers, when they wait too long before going to the bathroom, or if they get wet on the playground.

45. PERSONAL BELONGINGS

Parents must supply all bottles, diapers, and diapering accessories for their child. The Bridge Christian School provides toddler training cups. Please label everything with your child's first and last name.

We use washable crayons, markers and paint during art time, but the children's clothing may get stained from just being kids! Please dress your children in play clothes since PLAY is what we do!! Please leave all toys and valuable items at home since The Bridge Christian School cannot be responsible for broken or lost items.

46. OUTDOOR PLAY

Outdoor play is a regular part of the daily routine. Children should be prepared to play outside some part of every day. Please do not request that your child stay indoors. Per the Texas Department of Family and Protective Services, children too sick to go outside should not be at school. **Children may not wear flip flops or sandals due to the danger these shoes may cause on the playground.**

47. BIRTHDAYS

Most children enjoy celebrating special events with their preschool friends (birthdays, new babies, and holidays). Parents may send a "store bought" treat to share with the class. These celebrations generally take place during the afternoon snack time. Please make arrangements

with the teacher several days in advance.

48. CAMERAS

The Bridge Christian School has closed circuit cameras in our classrooms. The privacy of the children is very important to us. For this reason, the video stream is not available over the internet.

49. PHOTOGRAPHS

The Bridge Christian School believes in the benefit of using real life pictures in our educational program. Photos taken of the children will be done with a school owned camera and will only be used in our program. If parents choose to take pictures of events held at our program, they may only photograph their child, unless written permission is given by the other parent.

Please note: during certain parent events, such as Pre-K graduation, Christmas programs, and Carnivals, photographs may be taken. If you wish for your child to not be photographed, you may want to remove them from these events.

50. OUTSIDE EMPLOYMENT

Employees of The Bridge Christian School are prohibited from outside employment with parents of the organization or other like centers. This includes, but is not limited to, babysitting and/or nanny- type jobs.

51. CYBER IDENTITY/SOCIAL NETWORKING WEB SITES

Cyber identity and social networking is very exciting these days. However, please understand that employees of The Bridge Christian School are prohibited from participating in social networking with parents and children. This includes, but is not limited to, Facebook, Snapchat and Twitter.

52. BITING

Biting is a common issue in early child development. The best way to deal with biting is consistency between providers and parents. Biting could occur for multiple reasons. Proper communication will help determine why a child is biting. The Bridge Christian School will work with parents when biting becomes a problem. We will make every effort to solve the issue as soon as possible.

53. CELL PHONES

Proper parent communication is imperative when working with young children. It is difficult to communicate when cell phones are in use. Effective December 1, 2010, the Texas Department of Family and Protective Services passed new regulations prohibiting the personal use of cell phones in classrooms. Please help us stay in compliance with this new standard.

We, at The Bridge Christian School, know that you trust us with your most valuable treasure, your child, and we strive to serve our families the absolute best in preschool education and childcare.

We believe that excellent early childhood development is the foundation for a bright future for our children at The Bridge Christian School.
