

The Kentucky Spine Institute

Preparing for your Appointment

- **When you come for an initial office visit, please bring your X-rays/MRIs with you.** Please do not rely on your doctor to send them, it almost never happens. It is best to have the films or CD's **in hand** when you arrive.
- Please use the **free valet parking** located under the entrance to our building, because parking yourself is difficult here.
- Please try to **arrive 30 minutes early** to fill out paperwork.
- To schedule an appointment please call us at 859-255-9059.

Free Valet Parking
(Baptist Health-Lexington, entrance #2)
