Quality Assurance

Drums are made in remote bush areas of Africa. Each drum is a unique creation with unique qualities. No drum will be completely perfect the way machine-made drums are, but we do our best to ensure that your drum is in the best-possible hand-made condition.

Each drum is inspected for:

- No holes in heads
- No imperfections in wood base and bowl
- Fist-size sound openings between base and bowl
- Head ring tightness
- String tightness
- Level and even head
- Sound quality
