As well as carrying out necessary seaworthy, cargo-worthy tests managed by licensed inspection companies.

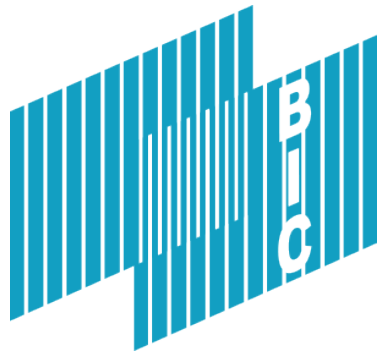

PREFABRICATED CONTAINERS

Prefab and modular are not new concepts, nor is the idea of a shipping container home.

Shipping container homes and modular homes often lack design, but at Raseef we can help you design your homes/offices/coffee shops without compromise.

We embrace the fact that we are leveraging shipping containers to create modern, beautiful, and modular living spaces.

BUREAU INTERNATIONAL DES CONTAINERS (BIC)

In Accordance with ISO Standard 6346, Customs conventions and BIC Registration terms,
The bureau International des containers has certified the BIC code of **RASU** to Raseef Containers Services LLC, under the certification number **RASU-1618**.

The BIC code is the “international calling card” of nearly every container in international trade, allowing for proper identification and facilitating the crossing of borders without delay. With a mission to promote the safe, secure and sustainable expansion of intermodal transportation, the BIC enables professional dialogue, standards bodies, governments and other industry organizations.
