

THURSDAY NIGHT LAUNCH TEAM LETTER

PASTOR MATT THOMPSON

Hello Friends who I have been talking to about starting a THURSDAY Night Worship Service here at Surfside Christian Church

On September 1st many were able to attend as we talked about beginning Launch team meetings beginning October 3rd at 6:30pm. THE FIRST SERVICE will be JANUARY 16TH.

October 5th will be our FIRST outreach event at the Surfside Beach Kids Carnival. We will be giving away Cotton Candy. At the end of this letter you will find a list of events, meetings and practice services.

Launchers!

Right now, if everyone commits who shared they are interested or who have asked about helping, we will have 21 people. Our goal is to have a minimum of 25, ideally 35 to start a new service. We are asking for a YEAR COMMITMENT from October 2019 – October 2020. If after 13 weeks we don't have 25 people, we will meet and decide if we stop or continue to launch.. When you come to our first launch team meeting, October 3rd, bring 3 names of people that we can ask to be part of our prayer team. We would like to have 50-100 praying for this new service. Also, bring a name of one person you think might be interested in being a part of this launch team. Our prayer is that you help us become the family church here t the family beach. Especially to those who work on weekends and don't have the opportunity to attend with their family.

Sunday, September 15th

● September 15th we have a missionary from IDES coming to speak.

IDES is an organization that helps countries and people who have been hit with devastation. Hurricanes, tornadoes, cyclones.

They work with churches also to train and show churches how they can be used during a crisis..

We are asking, if you are free to please come and attend this service.

For one, it would all the Sunday service people to see and be encouraged by a group of fellow believers who are committed to beginning a Thursday Evening Worship service to reach out and minister to others.

We are praying for 40 to be in attendance. There will be a meal to follow, do come and enjoy.

Let's meet God where He is and see what He can do through a group of people passionately in love with Him.
