**To: Johann
Bernard Klitz**

Died: 1891

**Occupation:
Farmer**

Elisabeth Pieper was most likely the impetus for the Klitz family to emigrate to the United States.

She was the second wife of Johann Bernard Klitz, and sister to Wilhelm Pieper, whose farmstead was near the Klitz Homestead.

Elisabeth and the Klitz Family travelled from Schöppingen, Westphalia, with her brother, Hermann, to Quincy, Illinois, where her brother, Wilhelm, had emigrated a few years earlier.

She, Johann, and their children, then followed Wilhelm when the families homesteaded in Nebraska.

Elisabeth is the mother to Anna Klitz Becker and Elizabeth Klitz Sellhorst.
