SUBJECT: Kent Police Department 2015 Annual Report

DATE: February 5, 2016

On behalf of the members of the Kent Police Department, I am pleased to present you with the 2015 Annual Report. This report is intended to provide the Kent community with a greater insight of the programs, activities and accomplishments of their police department. The report also summarizes the crime and accident trends for Kent as well as clearance rates.

Looking back on the year there were several major cases that required considerable effort, manpower and cooperation between staff members and outside agencies. These cases received media attention both locally and nationally. In the Spring a police cruiser and KSU ROTC vans were arson targeted and those suspects were also linked to an Aggravated Burglary and were charged and convicted. A bar fight resulted with shots fired downtown striking one victim continues to be investigated. Operation "Cupid's Arrow" in February from the Portage County Drug Task Force resulted in 26 arrests predominantly from the Kent Community. A homicide of a Kent State student residing on Fleeter Ct. continues to be investigated. An officer involved shooting on Virginia Ave. resulted in one civilian death and continues to be investigated. A fiery one vehicle crash on Stow St. highlights rescuing officer heroism and diminished injuries to the driver. Considering our agency's size I believe our perseverance for providing high quality service under extraordinary circumstances was demonstrated without reproach.

In researching our statistical information it is important for me to provide a few highlights. There is a continued decline of most "Major 10" crimes which is noted in the 10 Year Crime Index. Overall, 2015's crime index was the lowest in the 10 year comparison chart. In contrast, we experienced the highest number of accidents at 1067 in 10 years even after

increasing traffic citations by more than 300 over last year. All of these reductions in crime and gains in enforcement efforts were paired with an increase in calls for service of more than 2,400 over last year. Calls for service were the highest in 2015 in ten years. A big challenge for us was to assist Community Development with the implementation and enforcement of metered parking. We added an additional Compliance Officer position to help manage, monitor and enforce the metered parking to benefit downtown merchants. A review of the parking ticket collections and enforcement statistics page will demonstrate our commitment to the program and the successes we have experienced.

The department enjoyed being involved in several new and existing community based programs last year. To name a few; "Unity in the Community" involving the South End residents at Plum Creek Park, Brimfest Parade, 9/11 Tribute at Hometown Bank, KSU's Constitution Day reading and participation with Kent Interfaith Alliance. These initiatives and many more demonstrates our commitment to embrace the partnerships that make Kent unique, diverse and successful.

Respectfully submitted,

Michelle A. Lee
Chief of Police

MISSION STATEMENT

The mission of the Kent Police Department is to serve and protect the persons and property in the City of Kent. We strive to create and promote partnerships with our community through education and collaboration. We apply the law consistently while professionally interacting with the public.

VISION STATEMENT

The members of the Kent Police Department will embrace the partnerships that make Kent unique, diverse and successful. We will provide a balance of enforcement, education and service for our community. We are committed to maintaining the highest standards of training and education to become the premiere law enforcement agency in Portage County.

VALUES STATEMENT

We, the members of the City of Kent Police Department, believe our service to the community is driven by values. These values determine how our mission and goals will be achieved. We will:

- * Be responsible and accountable to the citizens of the city of Kent, from whom we derive our authority. Each member of our agency will also be responsible and accountable to the organization and its members for living and acting in accordance to our values;
- * Take pride in our profession, yet remain humble by the awesome responsibility and authority bestowed to us by the citizens of Kent;
- * Maintain the highest levels of integrity in all our actions by ethically performing our duties within the spirit and the letter of our laws and Constitution;
- * Foster a sense of family, teamwork, and partnership among all members of the department, between police and other city departments, and between the police department and the community;
- * Remain loyal to our profession, our organization, and our community. We will demonstrate our loyalty by our commitment and dedication to excellence and innovation in providing service to the community;
- * Remain sensitive to human needs and always treat each person with fairness, dignity and respect; and
- * Through courage and professionalism make a difference in the lives of those with whom we interact each day.

Accomplishments

K.P.C.A.

The Kent Police Citizens Association (KPCA) is a non-profit organization whose mission is to enrich the Kent area community through police support. Numerous gifts and donations were given to various organizations and other fund raising events throughout the year to benefit the Kent community.

Annually, a scholarship of \$500.00 is awarded to a deserving RHS graduating senior who is involved in their community. This year's award winner was Brea Gunn!

KPCA, in partnership with Walgreen's, conducted a prosperous "Fill-A-Cruiser" program to benefit local needy families. Multiple families and children were provided gifts and food. KPCA also sponsored "Bowl against Abuse" through the Children's Advocacy Center.

PRESENTATIONS, DISCUSSION AND DEMONSTRATIONS

The department is active in seeking out opportunities to interact with many community groups on a variety of topics, below were a few examples:

- Multiple Journalism Classes KSU

AWARDS

Crisis Intervention Team – The Mental Health and Recovery Board recognized one of our police officers this year. Patrolman Michael Fleming received the CIT (Crisis Intervention Team) “Officer of the Year” award for utilizing his CIT training during mental health crises and making a difference.

Boogie Boards – Deputy Joe Kamer and his wife, who works for Kent Display, donated ten “Boogie Boards” to the Kent Police Department. They made similar donations to other law enforcement entities. The “Boogie Boards” are an electronic note pad that uses LCD technology to sketch, write or draw without paper. The boards were assigned to each cruiser for officers

to use so they can quickly jot down information, the boards then electronically erase.

Cell phone technology - The Region 5 LESHSP (Law Enforcement State Homeland Security Grant Program) has jointly awarded our department and Kent State University Police Department with a Forensic Extraction hardware/Software Program. The awarded equipment allows us to extract information from cellular devices, flash drives, GPS units and other similar technological devices. This equipment is critical in extracting information pertaining to investigations or for evidentiary value.

The award hinged on our two departments co-owning the equipment and working cooperatively to share the equipment. There is also an annual maintenance fee of \$1,500 per department to support the equipment. The equipment will be maintained by our department and KSUPD will use as needed.

Speed Measuring Device - The Ohio Department of Public Safety through its Ohio Traffic Safety Office has awarded our department with a new Laser LTI speed measuring device. The awarded equipment is based on our good standing and continued participation in the annual Traffic Safety Mobilizations namely “Click it or Ticket” and “Drive Sober or Get Pulled Over”.

Programs

NORTHERN OHIO VIOLENT FUGITIVE TASK FORCE (NOVFTF) - Under

the direction of the U. S. Marshal's Office, this multi-jurisdictional agency, represented by federal, state and local law enforcement agencies, search for and apprehend dangerous felons and fugitives who are located in the jurisdictions of the participating agencies. Two officers are assigned part-time to this organization which has been instrumental in the apprehension of Kent area

fugitives. Over 276 operational hours were dedicated to the Marshal's Task Force. Our officers were involved with searching for 139 subjects resulting in making 55 arrests, 18 of those were KPD warrants.

TERRORISM LIASION OFFICER - Ohio Homeland Security has adopted a TLO Program that establishes a baseline intelligence capability throughout the State, utilizing existing law enforcement resources. The TLO serves as our county-wide point of contact in terrorism related information and intelligence. The TLO serves as a liaison to all other law enforcement, Fire and EMS in providing information and guidance to local officials and acts as the Point of Contact (POC) for homeland security information. We have one officer dedicated to this program part-time. Our officer attended four meetings and an annual conference to discuss Human Trafficking, Violent Extremists- Targeting Law Enforcement Officers, Emerging Threat of a Complex Terrorist Attack, The great tank debate discussing military equipment used by police, State and Local Response to a Terrorist Attack, Unified Response to Active Shooter Incidents, and Body Worn Camera objectives. Our officer has initiated several investigations related to suspicious activity in the City of Kent. Our Officer assisted with gathering and disseminating intelligence to the State of Ohio fusion center. Information was also shared about current crime trends. In addition our Officer was able to secure a grant for a cell phone forensic work station called Cellbrite. Under the grant Officers were trained on the use of the technology and the technology was provided at no cost to the Police Department. This equipment will assist with numerous investigations. Our TLO also had the opportunity to teach the Citizen Police Academy. During this opportunity several community members were trained on the concept of "See Something Say Something."

PORTAGE COUNTY DRUG TASK FORCE

- Under the direction of the Portage County Sheriff, this multi-jurisdictional agency investigates and apprehends offenders involved in the trafficking, distribution, and possession of illegal drugs within the communities of participating agencies. Membership includes the Portage County Sheriff's Office, the Portage County Prosecutor's Office, and the Kent, Aurora, Ravenna, Streetsboro, DEA, police departments. Each agency has at least one (1) full time officer assigned to the Task Force. In 2015 "Operation Cupid's Arrow" netted 26 arrests, many of which were from the Kent community.

METRO SWAT - This highly trained, professional multi-jurisdictional special weapons team responds to incidents within the jurisdictions of participating members that require special weapons and tactics to deal with riotous activity, large crowd control, barricaded suspects, the execution of drug warrants, arrest of dangerous felons, and the rescue of hostages or endangered persons. The organization is comprised of 19 Summit/ Portage County law enforcement agencies. The Kent community needed the assistance of Metro SWAT on two occasions in 2015. METRO SWAT is instrumental during Kent's Halloween event each year and with KSU related spring parties.

K-9 PROGRAM

- The K-9 program greatly enhances uniformed patrol in the detection and apprehension of criminal offenders, locating missing persons and children, and provides better safety for officers in physical confrontations and dangerous situations. We currently have two allocated K-9 positions within the patrol division. K-9 teams are dedicated full time to the program as the dogs are housed and cared for by the officer 24 hours a day. In 2015, our two teams conducted 187 usages to include tracks, building searches, narcotics sniffs, article/evidence search and suspect apprehensions.

PHARMACEUTICAL DRUG COLLECTION BOX

This program was begun late 2012 in cooperation from a grant through the Portage County Solid Waste Management (who provided the box) and after application and permission from the DEA (Drug Enforcement Agency). The program is designed to provide a collection box for the Kent community to easily dispose of unwanted or expired medication for safe disposal. A collection box is located at our parking lot for easy drop off. The program is managed by detective bureau personnel. In 2015, 170 pounds of pills were collected, along with other miscellaneous medications, anonymously to the collection box.

JUVENILE UNIT'S DIVERSION PROGRAM. Under the direction of Juvenile Counselor Jeff Langstaff, the Diversion Program in 2015 processed 34 juveniles through the program. The program provides first time offenders with an alternative process from entering the county's juvenile justice system for a non-serious criminal offense.

The Juvenile Unit Diversion Program included the following activities in 2015:

- 234 Mediation/ Problem-Solving Contacts
- 20 Drug/ Alcohol Interventions
- 16 Parental/ Family Consultations
- 3 Juveniles providing community service through the Diversion program. Community service averages 16-18 hours per juvenile.
- 21 Child/ Adolescent Mental Health Interventions
- 197 Adult Mental Health Interventions
- 18 Public Speaking Engagements
- 1 Internet Safety & Security Concern Issues

BICYCLE PATROL The bicycle patrol continues to be a tool used in community policing efforts and in crime prevention. There are currently 15 Officers trained in the utilization of the Police Bicycle and are encouraged to ride bicycles when staffing allows and are often an assigned position in CDBG patrols. We have found that it is effective during civil demonstrations and activities to include parades, Kent Heritage Festival, road races and public safety presentations. There are five Police Mountain Bicycles in this program.

DOG KENNEL The city Dog Kennel operates at 1220 Mogadore Rd. The Kennel is maintained by Kent Police personnel, but primarily the Animal Compliance Officers. The new kennel has three secure indoor/outdoor runs, heating, lighting, running water and sanitary drainage. The kennel can accommodate up to 6 dogs at any given time. In 2015, 82 dogs were impounded, 61 were returned to their owner, 12 were adopted back into the community and only 9 were taken to the county dog pound. In 2015, \$465 was collected in kennel fees.

CITIZENS POLICE ACADEMY - The fifth Citizens Police Academy was held in the spring and consisted of a 12 week course involving an array of law enforcement topics. Students were instructed in patrol tactics, investigation techniques, police equipment and participated in a ride-along. 19 Kent area residents participated in the program meant to educate and garner community relations and debunk common misperceptions about police work. This program was well received and is slated for a sixth class in 2016.

PARTY REGISTRATION PROGRAM

2015 was our first full year with the Party Registration Program. The program allows party hosts and attendees have the opportunity to receive a telephone warning in the case of excessive noise or other nuisance activities. We had 101 registrants take advantage of this program. Of all those party registrations, zero received a citation for unlawful noise or nuisance party.

Training Summary

Training is an integral part of establishing high professional standards within all organizations. The Kent Police Department is committed to providing the highest level of training, within financial constraints, for all components of the organization. This commitment is accomplished by using internal (in-service) and external training resources to provide advanced training, career development opportunities, and specialized training related to new law enforcement technology.

In-Service Training:

In-Service training was provided to all members of the department throughout the year. Much of this training was conducted through daily Roll Call training. Areas of Roll Call training include: review of department rules, policies, procedures; changes in state law and local ordinances; court rulings and decisions; community policing techniques; homeland security; officer survival; investigation techniques; firearm related issues; crime prevention concepts; and many other job-related subjects.

- The police department also provided formalized and structured in-service training to police personnel. These training sessions were presented by state certified staff and department members in subject matters related to their fields of expertise. The 2015 in-service training included: Firearm training and certification for side arms, shotguns and patrol rifles.
- Less-than-lethal weapon training, use of force decision-making and documentation.
- Breath alcohol testing certification; electronic speed measuring devices and hazard communications

External Training:

External or outside training needs are met by sending personnel to specialized training academies, seminars, and workshops. These resources include both the private and public sector. Training needs are reviewed and determined for all components of the organization. The primary components are: administration, supervision/ management, investigations, records & dispatch, and patrol. The following courses represent specialized training members attended outside of the Department.

Kent Police – Kent State University Partnerships

The Kent Police and the Kent State University enjoy a cooperative working relationship which has proven to be mutually beneficial. Although this relationship has always existed, new initiatives and joint ventures are always investigated to improve the quality of service to the Kent and Kent State University communities.

Special Events - There are several special events that require KSU PD's assistance and cooperation to ensure a safe and tactically sound operation. Halloween has proven to be an unsanctioned event that continues to swell and sprawl within the city. We have received continued support from KSUPD when planning and staffing our police response. Other special events include sanctioned parades and road races that involve dual areas of responsibility and jurisdiction. Many of these events cater to the Kent State student population such as the *Homecoming Parade*, and the *Bowman Cup 5K Race*.

City of Kent and Kent State University Community Meetings - Police Administrators contribute to these Town/Gown meetings which are held monthly. These meetings involving KSU and Kent City administrators are meant to ensure cooperative working relationships and to maintain and improve town and gown relationships.

Training Opportunities – The City Manager, the Police Chief and KSU administrators all attended “Unconscious Bias” executive training sessions. The sessions were meant to test the applicability of the subject matter for all city employees and many KSU administrative staff members. These sessions proved to be beneficial and continued attendance will endure into 2016. The sessions are provided through KSU’s Division of Diversity, Equity and Inclusion. Our department and KSUPD have been training together for years on various disciplines and enforcement tactics. This year we had the opportunity to have our officers in Active Shooter scenarios and Self-Care/Buddy Care.

C.A.D. and R.M.S. (Computer Aided Dispatch and Records Management System)

KPD and KSUPD collaborate in several ways in the areas of communications infrastructure, dispatch services and records management. For over thirty

years, both departments have dispatched police services on a shared VHF radio frequency. Each department owns and maintains interconnected portions of the same two-way radio system that provides radio and emergency warning siren coverage over the entire city. Kent PD also dispatches Kent FD for fire and EMS

services on campus as well. Since 2006, Kent PD has also shared KSUPD's computer-aided dispatch and records management platforms as well. This shared software platform allows officers from both departments instant access to the activity and databases of the other department via their dispatch centers, and desktop and vehicle mounted computers. The shared platform also allows either dispatch center to serve as a fully capable emergency backup for the other, should one suffer a catastrophic failure or natural disaster. These two shared systems have promoted further collaborations which include KSUPD monitoring burglar and fire alarm systems citywide via their certified central station, and a current effort toward a common set of standardized training and certification programs.

Joint Patrol District - This department and the Kent State University PD have mutual enforcement districts which are student populated areas within the city that also incorporate University owned properties. These areas include the Crain to Main triangle North of campus and the Lincoln, Summit, Depeyster, Main St. square to the West of campus. An agreement allows KSUPD officers to patrol, initiate enforcement and report incidents in these areas without involving or initiating mutual aid first. This initiative assists our department by allowing campus officers freedoms within these districts thus infusing officers into these populated areas. It is mutually beneficial to KSUPD to be responsive and responsible to their students and property directly.

Internship Program - The Kent Police Department recognizes and provides learning opportunities for persons studying in criminal justice and related fields through an internship program. Internships provide a valuable opportunity for qualified students to participate in the day-to-day functioning of a justice-related agency. Interns will observe police functions in a regulated and productive manner. We successfully had one Kent State University Criminal Justice student complete an internship this year.

New Program - The Kent Police Department, Kent State Police Department and Townhall II have formalized through an MOU our commitment to work together to provide prevention and awareness education around sexual violence and trauma-informed support to victims of sexual assault, intimate partner violence and stalking and to improve the overall respond to sexual violence at Kent State University and within the greater Kent community. The parties share the goal of preventing sexual violence on the Kent campus and in the community, and responding appropriately to those who have been victimized.
