## Making a Dream Come True

MAY 2016

This is Dennis Davis, a veteran in Lincoln who was celebrating his 69th birthday. Dennis has had a lot of health issues, many related to Agent Orange exposure. Like all of us, he still has his dreams.

His dream was to ride in a Corvette.

Do you know what would make that dream even better? Riding in a bright red convertible with a gorgeous brunette. Thanks to Lois Waterman for making that dream come true.

About 35 members of CCC made the trek to Lincoln to thank Dennis for his service and wish him a happy birthday.

**\*\*Next General Meeting is Thursday, May 19, 2016 at the Bel Air Banquet Hall, 7:30 - 9:00pm. Come **EARLY** & enjoy the buffet starting at 6pm! If you would prefer a salad, call Holly or Shelly at **402-333-5505****

CCC President Jerry Koraleski presented Dennis with a certificate making him an honorary member of the Cornhusker Corvette Club. Dennis was surrounded by his family and his new Corvette friends. After a few well-wishes from everyone, it was time for that dream to come true. His family tells us he is still in a dream world. Sweet dreams, Dennis!

Next stop was Morrill Hall at the University of Nebraska, which was featuring a special show by famous wildlife photographer Joel Sartore. The show was centered on endangered and extinct or near extinct species of animals and birds. Oddly enough, there were no pictures of Thunderbirds.

← This display featured a life-like portrayal of two Baby-Boomers in their natural habitat. Reports of their near extinction are greatly exaggerated.

The show is only available for a limited time, and this was a great opportunity to see this display.

Here are club members looking for previous club members,

As everyone knows, visiting a display like this can really make you work up an appetite, so it was on to eat (that's what we do best) at World Famous Lee's Chicken.

Did I hear you say you did not know that Lee's Chicken was famous? In fact, Lee's actually has two claims to fame. The first (and most obvious) is the Chicken. Mmmm...it is really good.

The second is that for over half a century, Lee's has been known as the location where George Horst proposed to his wife Carolyn. Luckily, she said yes or Lee's would only be known for chicken and we would have ended up at Pizza Hut. To commemorate the famous event, George re-enacted the proposal. After a little coaxing (and a few beers), Carolyn said "Yes".

Actually, we're not sure if this is George proposing, or just begging for money so that he can pay the check. What we do know is that it was a day to remember.

Of course, everyone celebrated the event with.....what else? Chicken!

# Tacos Walk for Those Who Can't

Okay, stop me if you've heard this one. A Taco walks into a bar and the bartender says, "Hey, who is the spicy tomato you're with?" What's that you say? Tacos can't walk? Well, they did at the Lucky Duck Garage. Gene and Kathy Gau held a Mexican Domino Night there featuring "Walking Tacos". You start with broken Taco Chips, then add Kathy's delicious filling (yummy!) and top it off with condiments. I'm still not sure of the "Walking Tacos" part, but just to be safe, I ate mine while walking around.

No one is really sure how Mexican Dominos is played or even who won. The real winner was "Stamp out Polio" through the Rotary Club that Gene belongs to. Did you know that polio still exists in some countries? The event was a rousing success, raising \$750 for this great cause.

Thank you to all who contributed so generously and to Gene and Kathy Gau for hosting the event.

# Holding Down the Fort

April showers bring May flowers. At least, that is how the old saying goes. It seems someone forgot to tell the weatherman, because May 1<sup>st</sup> was a bit on the soggy side. Of course, it was not enough to dampen the spirits of several CCC members who started the morning at Tussey's for their famous Sunday brunch.

It was also a great time to celebrate Carolyn Edmundson's birthday. We did our best to embarrass her by singing "Happy Birthday". In the end, we only embarrassed ourselves with our singing.

Despite Mother Nature's attempts to keep us inside, we could not pass up the opportunity to visit Fort Atkinson, one of eastern Nebraska's most interesting attractions. This fascinating stronghold of the old west once held almost one quarter of America's military. The fort was destroyed during the 1800's, but the footings were carefully unearthed and the fort has been restored on the original site.

What made this day special was that it was the first weekend re-enactment of the year. On the first weekend of May through October, volunteers dress in the clothing of the period and interact with visitors to show what life was like during that time.

Here are some ladies explaining how soap was made back in the days before Wal-Mart. Some people found it hard to believe that the fort did not have Cable TV.

The people who are dressed in costume are volunteers who donate their time and knowledge to help create a great experience for visitors. They have a fantastic understanding of what life was like when the nearest neighbors were Native Americans.

Here are some ladies explaining how soap

The fort is located just a few miles north of Omaha in Ft. Calhoun, and is a great way to spend the day. You may want to mark your calendar for the first weekends when the re-enactment is there.

Here we see a volunteer who really takes his job seriously. The punishments were actually very harsh back then. When someone was caught being drunk in public, they had to wear this sign for a period of time, depending on how offensive they were.

Jerry seemed particularly interested in the wooden box that could be locked with a person's head sticking out of the top. The box does not have a seat inside, and the height was in between a sitting and standing position. The person locked inside would have to remain in a crouching position for hours. Ouch! We were not sure why Jerry had such an interest in this, but he did mention finding the perfect birthday present for Kathy.

The General Store offers handmade items as well as cookies and candy. We were entertained by a volunteer who played a stringed instrument and sang songs of the era.

One of the most fascinating places in the fort is the old blacksmith shop. Expert blacksmiths are hard at work making metal parts used in the restoration of the fort. All of the hinges, latches and other metal parts of the fort were made by hand in this very shop.

Some club members put in their orders for custom made parts for their Corvettes. This should be interesting.

In spite of the damp weather, everyone had a great time. It actually was a plus for us because we had the place almost to ourselves. I can't wait to go back.

# What a Hot Dog!

Thanks to all who helped out at Leach's Camper Sales, serving hot dogs at their open house. This been a twice-yearly event to thank them for the use of one of their motor homes for racing events.

In case you don't know who the volunteers were that helped out there, just look for the members who suddenly seemed to have gained 5 pounds because of all the hot dogs they ate.

## May Fest at Huber's

Our good friends at Huber Chevrolet continue to support us as we move closer to the NCCC Convention right here in Omaha. The all Corvette show was held in their lot with lunch in their showroom.

All proceeds from the show went to Moving Veterans Forward, a non-profit organization formed by our own Ron Hernandez in order to help veterans transitioning back into civilian life.

For more pictures, go to [www.cccmemories.com](http://www.cccmemories.com).

If this picture looks a little hazy, please do not try to adjust your screen. The sunny morning gave way to a north wind, which brought in a smoky haze from fires in Canada and Minnesota. It wasn't all bad, because it gave our lunch a "smoked Bar-B-Q flavor." Lunch was provided and the dessert table was truly something to behold. As least, I tried to behold as much of it as I could.

## Winners by Class – C1 through C7

C1 – Don Peers

C2 – Sam and Jodi DePetro

C3 – Kevin Reit

C4 – Dave Ferguson

C5 – Sandy Swift

C6 – Denny and Mary Ann Laaker

C7 – George Horst

C100 (Trucks with Corvettes) – Ron & Kim Hernandez

The real winner was **Moving Veterans Forward**. Thank you to Ron & Kim Hernandez and all of the people who attended the show to support such a worthy cause.

## **MEMBER NEWS**

### **Prayers & Support -**

**Bill Anderson's** brother-in-law passed away recently. We have several members who need healing: **Alice Williamson, Jan Gunderson, Jon Manz, John Brown, Mike Burnt, Kim Hernandez and Cork Adams.**

Please keep them in your thoughts and prayers.

**Dave Ferguson** is the proud owner of this ~~beautiful dark green C5 roadster. According to our count, this is Dave's 3<sup>rd</sup> different Corvette in the past year. Las Vegas odds are 42 to 1 that Dave will have a different one by Summer Festival.~~

**Never mind!** That was last month. Now, Dave is the proud owner of this red C4.

Rather than showing you Dave's new cars here, we will plan to have a separate column just for Dave. We call it "Dave's Car of the Month".

In fact, we thought it might be fun to start a pool each month to guess what year, body style and color Dave's next car will be.

Please send news and pictures of your family events, new cars and anything you would like to share with members to [Editor@cornhuskercorvetteclub.com](mailto:Editor@cornhuskercorvetteclub.com).

**Share your knowledge and experience.** Do you have some tips about car care to share? Have you taken any trips with your Corvette that you think others would be interested in? Articles and pictures of club events or Corvette related activities are always welcome.

**General Meeting Minutes**  
**April 23, 2016**  
**Bel Air Banquet Room**

**Stan Dedrickson** was honored at the January Awards Banquet for his 40 years of membership with CCC. Our records show that Stan joined in February, 1976! That's a lot of years of enjoying The Corvette and Stan has had to have seen a lot of changes through the years in the Club and of course the car!

Our friend, Ron Bockerman accepted the award on Stan's behalf, and our records show that Ron has been around longer than dirt, I mean Stan—since July of 1974. Boy, I'll bet these two have a lot of stories from the days of old! (I've been told that CCC was a lot "wilder" in its youth and theirs as well!, right P.L. Pilger - member since April of 1979)?

How about a different look to the minutes this month? I've got four pages of handwritten notes and since we're streamlining reports to the meetings, I'm going to streamline the minutes.

Board members attending were: Jerry Koraleski, Ray Kennedy, Jannette Gunderson, Tom Horeis, Jon Manz, Marie Manz, Don Angerth, Bill Cashell, Kathy Cashell, Perry Dawes, Dave Ferguson, JB Benedict, and Dave Ferguson all of which gave their reports to a total of 112 members and two guests attending this general meeting.

**Sergeant at Arms**, Bob Edmundson, performed his duties.

**Jerry Koraleski, President**, led us in the Pledge of Allegiance and asked the members for a moment of silence for Bill Anderson as his brother-in-law passed away recently, for members who need healing: Alice Williamson, Jan Gunderson, Jon Manz, John Brown, Mike Burnt, Kim Hernandez and Cork Adams.

Kathy Gau read the birthday list and \$130 was in the pot at the beginning of the meeting and drew out Dave Richardson's name for the birthday prize and the chance to wear the birthday hat.

**Jan Gunderson, Secretary**, received a motion to approve the minutes from last month as printed in the newsletter from Kathy Cashell and seconded by Teresa Eller.

**Marie Manz, Membership Director** reported that we didn't have any new members, but that John and Sarah Corley were guests and the membership application was in their purse, they just weren't sure whose purse it was in his or hers.

(We can tell already that this couple will fit in to our club perfectly)! It was interesting to know that our club is 367 strong!

For some unknown reason, **Vice President Ray Kennedy** was wearing rose colored glasses with the stickers still on the lenses when he came to the front of the room to ask that the General Membership approve the changes to the By-laws, Operating Rules and Proceedings as published in the newsletter. The voting results were that all approved, no opposed and no one abstained from voting.

The Treasurer's report was positive and given by **Tom Horeis**, our Treasurer. As of this meeting, the club is \$3,000 ahead.

I'm Positive about this!

**Don Angerth** went over the particulars for the driving school, the race on May 21 and 22 in Lincoln just ahead of **P.L. Pilger** making a plea for additional men to tech cars at the convention. P.L. reminded everyone that there will be a class along with the driving school on May 14. Kathy Brisbois will be training women for tech for Rallye at the convention too. Remember that details of competition and socials can be found on CCC's website or in this newsletter.

**Jon Manz, our Governor**, didn't have a report other than he'll be carrying our vote for Charity to the Governor's meeting as being St. Jude's.

Pat Swift, Public Relations Director, Pat Swift

said:

"The Contributors are still paying"

An important notation was made by **Kathy Cashell** that the trip to LeClaire will be worth 25 points.

**George Horst** outlined the Huber Car show details which are in the newsletter. Huber is our Premier Contributor for the 2016 Convention and has been extremely generous with their time and funding.

Our award winning Editor, **Bill Cashell**, published a 45 page outstanding newsletter last month. Bill commended Jim Blackburn for the article on restoring a 1953 Corvette and Jim

noted that he knows about restoring it, he just doesn't own it! Bill was quick to say, "well, then forget that sucky article, it was plagiarized!!!!" You can always count on a humorous comment from Bill. Bill drew attention to the article Allen Sohl wrote on repairing door panels and just how much knowledge members of CCC have to give to our club. Bill also commented on the minutes of the meeting being interesting, so that's why I thought I'd change the format this month and see how Bill likes this month's minutes!

**\*Editor's Note – I like anything Jan does, but come on, Jan. You're slacking this month.**

Bill's been putting pictures, and event information on the "memories link" for member's convenience.

[www.cccmemories.com](http://www.cccmemories.com)

Hot summer nights motels in Sioux Falls might be getting full, so Bill is thinking about renting out his Corvette for sleeping. Now that would be cozy!

As usual, **JB** is up-to-date with the points and

put sheets on the back table. He no longer needs news papers for bedding in the shelter he and his wife Trudy

support. JB will be busy calculating points in the months of May, June, July, August and September with all the competition and social

events running. We thank you, JB for all the time and no how of this job. Leach Camper Sales, a long-time contributor is having open house on May 7 and they need people to help serve food and beverages from our club.

Who likes pizza?  
Who likes beer?

“Who likes pizza? Who likes beer”? What a clever way **Dave Ferguson** announced that Summer Festival will start at the Regency Club House in Omaha on Friday night. Car show, Funkana and Rallye will be held at Lauritzen Gardens Saturday morning and then Low-Speed Auto Crossing will be held at MAC in Council Bluffs Sunday and Monday.

Gene and Kathy Gau recently held a Mexican Domino Night at their property and \$750 was raised for “Stamp out Polio” through the Rotary Club of which Gene belongs. Did you know that polio still exists in some countries?

Jerry Koraleski and Gene Gau have worked so hard on Convention 2016 and Gene gave the following information:

- Day Passes will become available on June 1
- Worker Passes are free
- All members must pay to eat or get into events and Badges will be required to be worn, or you don’t get in. Security will be in place to check for badges-no exceptions!
- Review NCCC’S Website for details about the Convention

At this point of time there are 327 Registrations sent in for Convention.

A reminder: If you have any questions, issues or concerns, the Members at Large to see are Perry Dawes or Chris Tooker.

Speaking of **Chris Tooker**...Chris did an outstanding job chairing the World of Wheels event and brought home \$300

and was well under budget! Tom added that CCC has won this show about 9 out of the last 10 times. Keep up the good work—this event is a lot of work and Jerry had all those who put their cars in the show to stand up and be recognized. You’ll be able to see pictures on the website.

The President wasted no time in putting Sarah, our guest, to work by bringing her to the front to draw out a lucky ticket for 50/50 drawing. Randy Williams held ticket #518794 which was worth \$142. And \$142 went to the charity fund as do 50/50 drawing events work.

Well, this report isn’t easy to streamline and I’m ready to quit as was Dave Ferguson when he made the motion for our meeting to adjourn and Erv Gunderson seconded the motion, but I hope you’ve enjoyed reading about our general meeting on April 23.

**Birthday Winner Dave Richardson**

**50/50 Winner Randy Williams**

FUNNY  
SIDE UP

How do you know when it is time  
to *hang up* the car keys?

I say when your dog has *this* look on  
his face!

A picture IS worth a thousand words!
