Summer Festival Was a Blast!

SEPT 2016

The biggest social event of the year is Summer Festival, and chairman Dave Ferguson certainly made this one memorable.

This annual four day Labor Day weekend event was something for everyone (hummm....sounds like a great catch phrase).

****Next General Meeting is Thursday, Sep. 15, 2016 at the Bel Air Banquet Hall, 7:30 - 9:00pm. Come **EARLY** & enjoy the buffet starting at 6pm! If you would prefer a salad, call Holly or Shelly at **402-333-5505****

The main purpose of Summer Festival is to have fun, and boy, did we have fun. Great job Dave! Full recap of the event on the next page.

The wild weekend started with the Friday night part at Regency Lake and Tennis Club. The weather was perfect for enjoying the delicious dinner inside and out on the surrounding deck. Being on the lake gave us a feel of being on some waterfront resort. We kept waiting for the cruise ship to come up to the dock.

Dave served as bartender, and even had a Margarita machine. There were a lot of happy partygoers testing the machine to make sure it

was working. The food was excellent, and included a beautiful cake to celebrate the convention.

It has been an amazing year for CCC and there was so much to celebrate.

We enjoyed great the company of good friends while being entertained by an excellent singer playing our favorite tunes. It was a perfect start to the celebration.

Saturday morning was the car show at beautiful Lauritzen Gardens. The cool morning air was a reminder that fall was just around the corner.

Winners in the four divisions were Ed Olsen, Howard Renshaw, Bob Speckmann and Dave Ferguson.

The garden parking lot was also the starting point for the Rallye. This was a scenic route with a few challenges.

Those of you with spell checkers may be asking yourself, "Why is there an "e" on the end of Rallye?" Was this created by French driving enthusiasts? Of course, you then realize that the only French car you can think of is the Renault from the '60's, and its sole purpose was to generate more business for mechanics. There really is a French connection to the word. It was started over 100 years ago by a Frenchman named François who was traveling across America in a covered wagon. Every time there was a fork in the road, Francois and his wife Suzanne would disagree about which way to go. Suzanne would often ask the Native Americans, who would delight in giving them incorrect directions to make up for the sale of Manhattan for some beads. This led to the custom of men not asking for directions, which they still stick to today.

Eventually, Francois stopped listening to Suzanne and would just reply, "Rallye? (French for Really?) You want to go that way?" The word soon became synonymous with disagreements on directions in a vehicle. As usual, this Rallye included some disagreements between drivers and navigators. Marriage counselors were available at the end (cleverly dressed as bartenders). The meeting place at the end was Legends Grill and Bar near the Irvington exit off Interstate 680 north.

Saturday and Sunday were autocross at the MAC. One nuisance shower slowed drivers on Sunday, but the event was a roaring success.

Sunday night it was a party at Quaker Steak & Lube with music by Blue House. By the end of the evening, everyone was dancing in the parking lot. What a great time it was.

Vettes on the River

Pattie Bena

We had a wonderful weekend at Vettes on the River! As we entered the levee they were parking the red, white or blue vettes with the featured Veteran's corvette in "Patriots Row". We felt honored to park there with the beautiful Mississippi and flags flying high in the background. There was a very moving Flag Ceremony by Vietnam Veterans Color Guard with proceeds in excess of \$9000 donated to Chapter 299.

Car Shows

What can be better on a nice summer weekend than back to back car shows? Saturday it was Greg Young Chevrolet with the proceeds going to the Super Jack foundation to help children with immune system challenges. Thirty seven cars were there and 1265 dollars was brought in to support Operation Super Jack. Category winners were Sam and Jodi Depetro, Perry Dawes, Bob Speckmann and Bob Redmond. The Greg Young staff awarded a jacket to their choice, Bob Speckmann.

On Sunday, it was just a few blocks down the street from Greg Young to Church of the Master. Ray Zimmerman was our host for this club favorite. The activities featured games, food, and a lot of other activities. The Cornhusker Corvette Club was in full force with nearly 35 cars. Unlike last year, there were few (actually 7) other cars on display.

Frank “Jerome” Given

(1923 - 2015)

I learned recently that Jerome Given, a charter member of Cornhusker Corvette Club, died last year. He was an amazing individual who excelled in many areas of endeavor, as detailed in his obituary in the Omaha World-Herald:

http://www.omaha.com/obits/given-frank-jerome/article_86e22fb2-5e15-51e7-81e4-165b829d0130.html

I met Jerome Given in 2010 when Margee Palmer and I were doing historical research for the 50th anniversary of CCC. At the time he lived on a horse ranch near Elkhorn and was flying burn victims to the Shriner hospital in his twin-engine airplane at his own expense.

Jerome Given was the founder of the famous Tangier Shrine Corvette Patrol that performed all over the USA in a fleet of identical Corvettes. When CCC was formed in 1960, he wrote the original papers of incorporation and chaired numerous events.

Message from the President

As I write this, Summer Festival will be history. Not many events left in the 2016 competition season. Hey drag racers, it will be your time to shine in Kearney Sept 24th. Let's shatter those drag records. Check

the website for complete information. You'll be glad you did. Then there is one more exciting autocross weekend at the Lincoln Air Park. This will be a new experience for CCC. We will need all the help we can get. Please make a point to be there. At this time I would like to thank Don

Angeroth for his efforts in putting this event together.

As we move into the latter part of 2016, we must look forward to what's in store for CCC in 2017. Nominations for BOD will be taken at next month's General meeting. Please plan on attending and nominating someone you think will put their best foot forward in support of the club.

I would be remiss in not mentioning the fantastic socials that we have all enjoyed this year. Thank you Kathy Cashell and your outstanding social team. From what I'm hearing it's only going to get better in 2017.

Save the Wave, Jerry

Jerry Koraleski,

President@cornhuskercorvetteclub.com

General Meeting Minutes
Aug 17, 2016
Bel Air Banquet Room

Sergeant at Arms, Bob Edmundson, Sergeant of Arms, spoke to a full house as he reminded members to silence their cell phones and announced that the meeting would start in 5 minutes.

During this 5 minute wait, there was some ruckus about who ate 1/2 of the First Lady's cookie!

Now, you must know that the First Lady always, on Board Meeting night, makes a delicious dessert for the Board of Directors who so diligently guide this club to the success of which it has arrived. How dare someone, who resembled Ron Norgard, would stoop so low to eat 1/2 of

Kathy's dessert! I'm looking at the job description of the Sergeant of Arms, to see if he had, in fact, grounds for taking this person by the neck and putting him out of the meeting and onto the street—we have a Cookie Monster among us!

After the crowd quieted down, **President Koraleski**, led us in the Pledge of Allegiance while we ALL stood during the pledge. We remained standing and took a moment to remember Keith Gunderson's family at his

passing and to remember those who are experiencing health issues.

Secretary, Jannette Gunderson, asked for a motion to be made to approve last month's minutes as published in the newsletter. Teresa Eller made the motion to accept the minutes as published in the newsletter and Ron Norgard seconded the motion. Jan also pointed out that

the BODs have decided to redraw the artwork on the club shirts with our CCC emblem and "National Champions" without the championship years listed. Our club has won 10 years and that made the shirt "busy", especially, because we plan to add many more years of National Championship to our "quiver".

Nancy Bronner announced that there was \$125 for the 50/50 drawing to benefit St. Jude's.

Marie Manz, Membership Director, announced

that there have been 12 new membership applications submitted. These new members are driving 1957, 1967, 2002, 2008 and 2016 Corvettes! They are:

David and Johnna Eck, Ron and KC Smith, Lee and Linda Benham, Walter Grantski, Ernie Parra, Bill and Patricia Hopes, and Roger and Christine Corbit. The club members clapped and raised welcoming these new members into the club.

The Board of Directors were called to the front of the room by Ray Kennedy, V.P. as were Gene and Kathy Gau, and Jerry and Kathy Koraleski. The BOD took a collection and presented these two couples, who gave 125% (or more) to the success of the 2016 Convention, a token of their appreciation on behalf of the Cornhusker Corvette Club.

Ray Kennedy, Vice President, summoned Bob Edmundson, Sergeant of Arms, to escort President Jerry Koraleski, and Gene Gau, Convention Director, out the door. After a short time, Bob brought them back in and to the front of the room.

Gene Gau had used the expression “We’re going to knock their socks off” throughout the planning of the 2016 National Convention. Word was spread through the grapevine of the club that all attendees to this meeting should bring new socks to reign down upon Gene and Jerry (Co-chairman of the 2016 National Convention) at just the right time of Ray’s skit.

Boy, were Gene and Jerry ever surprised when members began to throw the socks to the front of the room while they sat in chairs prepared for them. After all of the laughter, members gathered the socks from the floor to give to “Vets Moving Forward” charity headed by Member Ron Hernandez.

What a fun time we had while giving to needy Veterans.

Gene took a moment and showed everyone the clock he received for his work on the Convention during the Convention.

Tom Horeis, Treasurer reported that the Club is still in good shape financially and asked if any One had questions. None were asked.

There was no report from **Jon Manz, Governor**, so **Don Angeroth, Competition Director**, gave his report of upcoming events. The low-speed auto-crossers will be competing at the Lincoln Airport in October for the first time and there

will be 10 corners that will need workers on them.

Don has asked members to come out for the event, work an hour or so and help earn

points for the club to continue to be #1 at the National level.

Dave Ferguson, Summer Festival Chairman, explained that Summer Festival is a tradition for CCC over Labor Day Weekend. Summer Festival starts this year with a party at the Regency Club Friday night, car shows and rallies on Saturday and low-speed auto crossing at MAC in Council Bluffs on Sunday and Monday. This year’s Festival will have two nights of live music; Friday at the Regency Club and Sunday night at Quaker Steak and Lube in Council Bluffs.

There's something for everyone at Summer Festival!

Kathy Gau announced the birthday winner as Bob Edmundson! Bob not only got to wear the birthday hat, but also was allowed to choose a gift from the 50/50 charity table.

Pat Swift, Public Relations Director brought good news to our club stating that all of the contributors have paid.

A long list of socials were discussed by **Kathy Cashell** as this committee has done an outstanding job of keeping our club busy with interesting and fun events. Ray Zimmerman spoke about the church event coming up, Sandy Swift spoke about the event coming up to support the "Super Jack Foundation" and the event Kathy spoke about was the alena/LeClair trip that is happening soon. Chris Tooker also spoke about the trip he is chairing to Colorado and all the wonderful stops that will be made on that trip September 8, thru September 11.

Mary Our Queen car show is also very soon and a picnic is in the stages of planning at the

"Narrow's Park" on the River in Council Bluffs. The picnic will be a "first" for the club and all of the

details for any of these activities are on the CCC website. Ron Hughbanks has volunteered to post the details on the site under our "calendar". Kathy thanked Ron publicly for the great job he's doing.

Our in-house comedian/editor, **Bill Cashell** had us going for a while about getting information

on repairing a side panel, when he caught us from the side (or is it off guard?) by explaining it was his 2006 Acura that needed the repair, not his Corvette. There

were a few moans from the crowd on that one! BUT, what Bill was making point about is, that our Club members are so knowledgeable about repairing Corvettes, that he suggested that the members make videos of their repairing abilities to share with the rest of us who have no clue how to fix something ourselves. (I can see it now, Ron Bockerman, under the hood of that yellow car, grease up to his elbows, grease across his forehead, Liz standing with a video camera filming and PL is calling on the cell phone asking Ron if he can help with tech at the Lincoln Airport in October. It never fails, ya always get a phone call at the most awkward times! LOL!) Well, back to the club minutes!

Bill also mentioned that there are 2,500 pictures of the 2016 Convention on the website WWW.NCCCONVENTION.COM ROCK ON.

Numbers from **JB, Point Chairman**, and **Kevin Reit**, Hot Summer Nights Chairman and Convention Door Prize Chairman:

- 1731 points ahead of the #2 Club as of August 17.
- 125 CCC members received worker points at the 2016 Convention
- 37 members attended Hot Summer Nights in Sioux Falls
- 0 turkey buzzards attended the Hot Summer Nights event but there was strawberry ice cream!
- 140 nice door prizes were given out at the 2016 Convention
- 100% convinced “that the workers in the hospitality room made me look good”, says Kevin.

“I was maybe the best looking guy, well maybe the only guy in the room”, Kevin continued, and when the crowd started to rumble, Kevin was astonished by “all the love in the room.” tonight.

“Dozens and dozens of thank you emails, letters and cards have been received about what a great job our club did in hosting the 2016 National Convention”, announced **Gene Gau, Convention Chairman**.

The first thank you letter he read was from The Madonna Rehabilitation Center Campus in Omaha thanking us for an incredible donation of \$7,800. This amount was raised in three hours at the car show!!!! Gene then announced the

winners of the car show which was determined by how much money was raised by each car. The winners not only received the member’s applause of appreciation, but also received a plaque at tonight’s meeting.

President Jerry Koraleski handed out two “Special Recognition” Certificates” — One to Dave

Ferguson and one to Gary Sondyj, for going above and beyond to help guests at the 2016

Convention when trouble knocked at their door.

With the meeting nearing the end, it was time for the drawings from the charity ticket sales.

Service 1, furnished a \$50 gas card for the drawing. Betty Carrico drew out “Hashbrown” Ed Olsen ticket. Connie Howell held the winning ticket for the cash prize of \$125 for the 50/50 drawing. Betty continued to draw tickets for the prizes that were donated for the raffle ticket table. Thanks goes to those who donated these prizes and to Service 1 for furnishing the gas card.

President Koraleski reminded members who and what the Members at Large do for our club and Ervin Gunderson thanked members for cards, emails and prayers at the time of his father’s death.

George Horst drew attention to a sign-up/order list on each table for a “Cornhusker Corvette Club” rear emblem at a small cost of \$6. We need 30 stickers ordered to get them at such a low price. Show your pride at being a member of the largest National Corvette Club in the NCCC organization with this good looking rear emblem.

Ervin Gunderson made a motion to close the meeting. Ray Kennedy seconded the motion.

Respectfully submitted,

Jannette Gunderson,

Secretary
