Vettes on the Rockies

CLOSE ENCOUNTER OF THE CORVETTE KIND

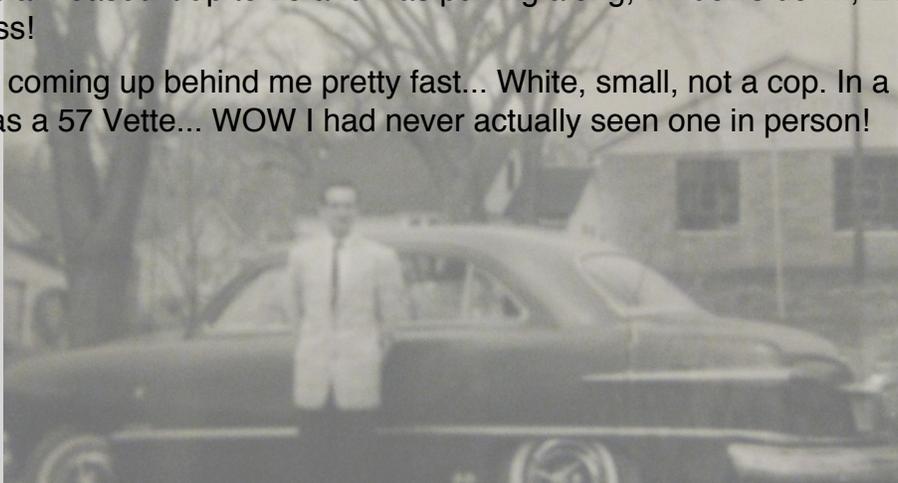

It was the spring of 59. School was out, I was 16 and on my first road trip to visit relatives without the company of adult supervision.

I was really proud of my ride, a 1951 Ford two door V8 stick. It was maroon and I had picked up three deuces and headers for it. I added dual exhausts and Cherry bomb mufflers. It sounded sweet.

Interstate 35 had just opened from DesMoines to Kansas City and it was a sight to behold to a small town boy who had never been off of two lane concrete with high shoulders and clogged with farm implements and trucks.

Four lanes of straight concrete ribbons disappeared out of sight as I pulled on to the entrance ramp at Osceola. I eased it up to 75 and was purring along, windows down, Everly brothers on the radio... Bliss!

I noticed a car coming up behind me pretty fast... White, small, not a cop. In a flash I recognized it as a 57 Vette... WOW I had never actually seen one in person!

The race is on! My foot went to the floor and my heart started pounding in my head. My right foot was dancing on the gas pedal nailed to the floor..80.. 85.. the old ford was starting to shimmy and the speedometer was dancing around like crazy. I was too nervous to look down at the speedometer but I saw the Vette come up alongside and move away so effortlessly... He never even looked over; he was too busy talking to the chick next to him! The nerve!

I let up on the gas and slowly watched the Vette disappear over the crest of the road. My foot was still shaking and the thought came to mind..." I want one of those"

Greg Young Car Show

Wow, what a great turnout at Gregg Young last week! We had 37 cars show up and 4 new members are a possibility. Thanks to all that came supporting our Club and Gregg Young. You guys rock!

Thanks go out to Pattie Bena, Rob Richardson, JB Benedict, and Ron Wolfe for helping with the various activities. Special thanks to my co-chairman, Chris Nightser, for helping park cars and getting the info of each car's specs and the driver's name posted on the dash.

I introduced myself to Chris Nightser at Gregg Young about 9 months ago on a Saturday....told him about the club and that I would give him a call. I called him the same day and asked if they wanted to go on a cruise to Villisca, which was the following day. Sure enough, Chris shows up bright and early, Sunday with his wife Ann, ready to boogie! They both joined CCC that day!.Cool. We had all but one of each generation present. Here are the results:

C2- Ron Hughbanks

C3- Mick Calovic

C4- JB Benedict

C5- Perry Dawes

C6- Craig Olsen

Congratulations to you all!

The salesman voted on one car for their favorite. That went to Bob Speckmann.

Thanks go out to Gregg Young for all that they do for our Club!

Thanks to Mark and Pam DeLong for taking us all to Mama's Pizza after the show for some great food and conversation!

From Your Governor

.....Gary Brisbois

Trying to recover and get caught up after a week in Bowling Green for the NCCC Convention. It was a great week with lots in interesting things to do and see. Congratulations once again to CCC for being the National Points Champions. As always, it was great to see our club receive recognition for this. Gene and Kathy Gau and Joe Eller were also in the top 15 and received national recognition. Gau's, Eller's, Swift's, and Kohlscheen's all received recognition and trophies for competing at events during convention. Kathy Gau received awards in the valve cover competition as the top ladies eliminator, the over-all eliminator and for the farthest distance. Sandy Swift won the Derby hat competition with quite a hat. It was definitely something to see. Kathy and I spent our time checking out the new C7 that they brought to convention as well as the 7 or 8 on display at the Corvette Museum. I got up close and personal with as many as they would allow. It is really quite a car. Guess I am going to have to save my pennies so I can get one. All in all it was a very good week with CCC getting lots of attention.

Our events in Council Bluffs will be over by the time you read this. And we will be really gearing up for Summer Festival. Anita has quite a weekend planned and I hope lots of you are planning to come out and share in the fun. It is really going to be an action packed weekend.

Point standings are being updated continuously and CCC is the top club once again this year. We have several club members are also in the Ladies and Men's top 15 point standings as well. One of the reasons CCC stays at the top in point standing is that we have so many members who come out to work even if they don't race. Thanks to all of you for making this the #1 club in the nation!!

Keep them shining! Gary

Wow the summer going fast!

From Your President

..... Kevin Kohlscheen

The NCCC annual convention is in the rearview mirror. We've seen July 4th come and go, we've enjoyed parades, car shows and road trips. Many traveled to Vettes on the Rockies to enjoy the spectacular vistas, seeing old friends and meeting new folks who also enjoy their Corvettes. Kids are going back to school and the final logistics are being completed for Summer Festival 2013. After Summer Festival there will be a few more road trips, car shows, sanctioned autocross events and hopefully drag racing in Kearney. Trust me, the next couple of months will go fast so get out there and attend as many events as possible before our Corvettes go away for the winter. You'll have plenty of time to do those projects around the house, clean out your closets and paint your kitchen - **SO GET OUT AND ENJOY AS MANY EVENTS AS POSSIBLE BEFORE THE WEATHER TURNS COLD!**

Kevin Kohlscheen

Our Corvettes have been exciting us for 60 years and that's reason to celebrate! In lieu of the traditional Friday night party, this year we are planning a huge Birthday Bash including prizes, games, hors d'oeuvres, and music. What a great opportunity to renew acquaintances with old friends and make some new ones. Hope you all join us Sunday night, 6:30 p.m. at the Stumble Inn in Bennington.
