### “Eagle Raceway Social”

On a breezy, cool, seventeenth of August evening a group of Cornhusker Corvette Club member’s caravanned through the countryside to Eagle, Nebraska. They stopped for supper at the “One Eyed Dog” and then proceeded on to the races. The cheers of the crowd, the rattles, burps, belches, and bangs of the stock cars as they raced around the track made the evening exciting and caused the popcorn and pop the group enjoyed to disappear fast.

Thank you Linda Werchan and Jim Walton for planning the fun filled evening. Photos on next page!

## “Healthy Hamburger, Fries, and Catch-up”

A special thank you goes to the thirty CCC members that met at the I-680 Wal-Mart and caravanned to the Surfside Restaurant for a meal of either catfish, or fried chicken on Sunday, August 25<sup>th</sup>. A trip down the short, dusty entrance road to Surfside did not stop some CCC members from driving and enjoying their corvettes. A few brave souls in the group chose to eat their dinner outside on the deck and soak up the sun and the warm temperatures while others in the group relished the air-conditioned restaurant. After enjoying the quick service, delicious food and conversation many of the group went out on the riverside deck and enjoyed watching the boats cruise up and down the

**General Meeting**  
**August 15, 2013**

**Rick Harshbarger, Sargent at Arms** announced the meeting will begin in five minutes and to please shut off cell phones and pagers.

**Kevin Reit, Vice President** led members in the *Pledge of Allegiance*. He thanked those who donated door prizes, encouraged members to purchase raffle tickets, asked guests to be introduced and announced "Gene Fisher is in the house". Congratulations went out to Jim Walton on his retirement. Kevin reminded members about the Harchelroad Motors Open House in Imperial, NE on 10/12/13 and provided the phone number of the Imperial Inn (308-882-4880) for those wanting to book rooms.

**Marie Manz, Membership Director** introduced four new members who received the CCC raise and clap welcome. The members with August birthdays were announced for the birthday drawing. Marie reported membership renewals will be in the mail the second week of October and will include a stamped reply envelope.

**Pattie Bena, Secretary** received a motion to accept the July minutes from Cheryl Sondyj with a second from Al Jankowski. Pattie displayed a sample of a visor embroidered with our club name. George Horst modeled a red cap with flames and club logo. These items can be ordered and are available in various colors. Visors sell for \$13 and caps \$18. She reminded members of the 12 item minimum for embroidered items and encouraged anyone wanting a club shirt, visor or hat to order tonight for delivery at the next meeting. The final order of Summer Festival shirts is ready for pick up tonight.

**Pam and Mark DeLong, Social Directors** gave a recap of recent events including the Louisville Car Show, Vettes on the Rockies and Gregg Young Car Show. Mark displayed the second place trophy the club won at the Gretna Parade. Details were announced for upcoming socials:

8/17 Eagle Raceway road trip with meal at One-eyed Dog Bar & Grill

8/25 Hamburger, Fries and Catch-up at Surf Side

8/30-9/1 Summer Festival

9/7 Sid Dillon Car Show

9/14 Road trip to a National Landmark

10/11-13 Wisconsin Fall Color Run

Watch for CCC Updates for more information.

Randy Williams was congratulated for having the autocross FTD at Vettes on the Rockies.

**Cindy Kohlscheen, Editor & Webmaster** was not present to make a report.

**Tom Horeis, Treasurer** gave the financial report. He announced we were short tonight in reaching the 35 meal minimum and encouraged more members to join us for dinner prior to the meeting since the free banquet room is based on meals purchased.

**Bob Speckmann, Public Relations** reported a great turnout of 37 Corvettes at the Gregg Young Car Show and attributed part of the success to the ad in the World Herald. Thanks went out to Chris Nightser for his help with this event. Bob encouraged participation in the Fremont Sid Dillon Car show on 9/7; a nice lunch is provided. Bob announced he stopped by Advance on West Maple and it looks like they will become a contributor and help with SF door prizes. Bob gave a sincere thank you for the Club's 2012 1<sup>st</sup> place NCCC trophy.

**Gary Brisbois, Governor** reported he will attend the national meeting in St. Louis on 9/13. Gary explained how to use the NCCC data base to obtain West Region points information. JB Benedict can also be contacted for points information. Gary announced there is no decision yet on the Rule Book changes concerning class changes or 1/8 mile drags.

**Don Angerth, Competition Director** announced upcoming competition events: 8/17-18 low speed events at Ankeny; IA; 8/24 is low speed at Hawkeye Downs on the oval track; 8/30-9/1 is Summer Festival with autocross, high speed and 1/8 mile drags; 10/5-6 is 1/4mile drags and low speed events at Kearney. He reported 10 sanctions were received from the Topeka club so a low speed weekend is planned for 10/19-20 at Mall of the Bluffs.

**Jon Manz, Regional Executive (RE)** had no report.

**Anita Poss, Summer Festival Director** announced tonight is the deadline for early registration, so sign up and save some money. Tech will be Friday 8/30 at Gau's from 5 to 7 p.m. and Anita stressed how much it helps to have everyone tech on Friday. There will be an Overall Award, which is on display tonight, for the most points accumulated over the SF weekend. Events chairmen gave a brief recap of the "birthday bash" themed People's Choice Car Show, Funkhana (which is expected to be "just ducky") and Poker Rallye (no way to get lost). Anita reminded everyone that the rules for a Rallye require both a driver and navigator, so those with two cars will need to work something out. Jim Benedict reported he has "the course figured out" for the 1/8 mile drags. There will be instruction given for those new to drag racing after the drivers meeting. CCC will be integrated with the regular drags so we will get to watch other cars as well and expects we will get more than six runs. Gene Gau announced the low speed tech and run times and said no birthday suits allowed. Jerry Koraleski's input for the high speed is "go fast". He will need to verify the time the track opens (in the past it was 7:30) and suggested you review the safety requirements for your class. High speed requires a fire extinguisher and you must have a high speed license. Anita announced there is a high speed practice day at Mid-America Motorplex (MAM) on Tuesday, August 20<sup>th</sup> for \$50 with a drivers' meeting at 12:30; a high speed license is not required for the practice day as their rules are not as strict as NCCC's and convertibles are allowed. The Birthday Bash Party is Sunday evening at the Stumble Inn ballroom. Social points will be given for attendance at the party. Anita heard some super entertainment will be stopping by plus there will be games, a drawing for great door prizes plus everyone receives a birthday present. There will be a cash bar. Anita asked for a show of hands on preference of food and will send an update with more information.

**Kevin Reit, Vice President** had no report.

**JB Benedict, Points Chairman** announced the 3<sup>rd</sup> Leach Camper Open House is 9/7. Leach provides the use of the RV used for timing at our speed events. Six people are needed to serve hotdogs at the open house; shifts run from 9 a.m. till noon and noon to 3 p.m. JB reported points for convention have not been posted because he needs a list of those registered: 50 CCC points, 15 NCCC points and 5 points for each competition event will be earned. No points are given for day passes. Kathy Brisbois offered to provide the list. JB needs to know who went on to the Black Hills Classic so he can post their points. JB has the points recap on the table. He said there is a posting error in the national software and once it is corrected we will have over double the points of the 2<sup>nd</sup> place club.

**Old Business:** Bill Anderson asked if CCC will retain West Region first option for Labor Day weekend after the restriction is lifted three years from now. Gary Brisbois confirmed the CCC governor will retain first option for 2016.

**New Business:** None

The winner of the birthday drawing was Jake Cartwright.

The winner of the 50/50 Raffle was Jayne "lucky" Reit (\$105 to the winner and \$105 to the National Kidney Foundation). Door prize drawings followed.

Kevin reminded that nominations for 2014 Board of Directors will begin at the September meeting.

Randy Williams made the motion to adjourn with a second by Gary Brisbois.

Respectfully Submitted,  
Pattie Bena  
Secretary

# From Your Governor

.....Gary Brisbois

WOW! The days are getting shorter. What's up with that?

We have just finished up another fun and exciting summer festival. It was great to see so many of you come out to celebrate Corvette's 60<sup>th</sup> birthday and show off all the beauty and power of our favorite Sports Car. Anita did a great job and so did all the folks she recruited to head up the various activities for the weekend. Thanks, guys!

Even if the days are getting shorter, there are still plenty of things planned for enjoying our Corvettes. There are car shows, road trips, socials and yes, even more racing planned for the days ahead. Definitely time to enjoy the fall colors with lots of time in your Corvette. I plan to see you all out there in September and October.

Kathy and I are off to St. Louis next weekend for Governors' meetings. Officer nominations will be the major issue this time. There are several positions that will need to be filled. Kathy is again running for secretary. We need to elect a VP of Competition, a Business Manager and a Sergeant at Arms. This is also the time to start thinking about elections for our club. If you have an interest in any of the positions, just have a friend nominate you at the September or October meeting.

Keep them shining! Gary

## From Your President

..... Kevin Kohlscheen

The summer is quickly winding down, football has taken over and the Nascar Chase has begun. Fall also brings us the nomination process and voting for new Board of Directors for 2014. Beginning with our September General meeting, nominations for members to all elected position begins followed in the October General meeting where nominations are accepted. At the November General meeting votes will be cast by the membership for each of the elected offices. The winners of each office will be announced prior to the end of the meeting. At our CCC banquet in January, the newly elected Board members will be sworn in. I will not be seeking a position on the Board for 2014 as the travel requirements of my job have increased substantially making it difficult to carry out my duties. However, there is a wealth of talent within the club that could do an excellent job guiding the club forward. This club has a great tradition of racing, giving to charities and having "something for everyone". However it takes people willing to invest their time and talent to keep this club at a level of excellence that many have taken for granted. I strongly encourage each of you to seriously consider running for office and making a difference in the club.

Your President,

Kevin Kohlscheen

If you have a recipe you would like to share, please send it to: [newsletter@cornhuskercorvetteclub.org](mailto:newsletter@cornhuskercorvetteclub.org).

Thank you!

Just put the stick of butter between two large pieces of wax paper. Using a rolling pin, press down on the butter. Roll it out the way you would roll out a pie crust. When the butter is about 1/8 to 1/4-inch thick, lift off the wax paper and peel away the butter (before it gets too soft to peel).

**Tip: How to Soften Butter Quickly**

Voilà! Softened butter, ready for beating. From C. Kohlscheen
