General Meeting, September 19, 2013

Sergeant-at-Arms, Rick Harshbarger announced the meeting will begin in five minutes and to turn off pagers and cell phones.

President, Kevin Kohlscheen led members in the Pledge of Allegiance. He introduced Terry Murkins from H & H who announced they will be receiving their first C7 very soon. The owner agreed to have this red/red Z51 coupe on display in their show room; locked of course! Ron from Midwest Early gave information about the Great Pumpkin Chase on 10/19: NCCC sanctioned, entry fee is \$15 with registration from 4-5:30 p.m. and will include a party with DJ. Proceeds are donated to charity. CCC has had winners in this event in the past! Raffle ticket sales were announced.

Membership Director, Marie Manz introduced new members and all received the "raise and clap" greeting and announced the membership total is now 381 members. Marie announced renewals are being processed this month and asked if everyone received them. September birthdays were announced.

Secretary, Pattie Bena accepted a motion to approve the August GM minutes from Bob Reade with a second by Sharon Lambert. Pattie announced there are a few Summer Festival tanks still available. She now has samples of red ¾ sleeved, scoop-neck pullovers for ladies in sizes small through 3X offered with the embroidered club logo for \$23; this style should be popular with the arrival of fall. She reminded that sweatshirts, hoodies and jackets are also available to order in the color of your choice. Orders will be placed as soon as the minimum of 12 items is reached and she encouraged ordering now. Members were invited to contact her with any special requests.

Social Directors, Pam & Mark DeLong announced the social for this coming weekend 9/21 is postponed due to a conflict with several other events. Mark reminded about the Lincoln Corvette Show on Sunday, 9/22. They announced the 12/14 Christmas party will be extra special and include different entertainment than last year; however the location of the party is a secret but will be in town at a restaurant. Again this year the club will be accepting donations of new, unwrapped toys for Toys for Tots in lieu of a gift exchange.

Details were given for October socials:

10/11 Fall Color Run to Wisconsin with 20 corvettes from CCC expected to participate.

10/18 Hay Rack Ride – planned by Dave Ferguson with details to follow.

10/24 Movie Night at Gau's in conjunction with NW Rotary Club with donations to the fight against Polio. Chili Dogs and beverages will be provided by Gene and Kathy. Attendees are asked to bring a side dish; please let Kathy know what you plan to bring to avoid duplicates. Mark thanked Vic Larson, CCC member and owner of Vic's Corn Popper who will provide popcorn for this event plus Vic gives CCC members a discount on popcorn purchases. Don Angerth is in charge of production. Thanks were given to Gau's for hosting.

Pam gave an update on members who have been ill or had deaths in their family: Warren Hastings, Cork and Linda Adams, Dave Ferguson and Carolyn Horst. Check your email for updates on these members.

Editor & Web Master, Cindy Kohlscheen had no report.

Treasurer, Tom Horels gave the August financial report. He noted expenses were under budget; most of which were for calendars that have not yet been purchased. We are currently ahead of budget for the year, however that may change as he awaits payment of contributors' commitments.

Public Relations Director, Bob Speckmann thanked Dennis and Larry for coming. Bob introduced and thanked Marion and Dianna Winger, owners of Ming Auto Beauty, who are our newest contributor.

Governor, Gary Brisbois gave the following highlights of the Governors' meeting. Gary reminded members to use the same name shown on their NCCC card when completing event registrations. If event chairmen are asked to add a rider for insurance, they should contact Gary or Jon and Marie Manz for assistance. Gary reported NCCC would like the 1984

C4 and 1982 C3 crossfire injection system replaced with quadrajet carburetors. The C7 will be in the M racing class, or the K class for drags. Other rule book changes that will be voted on include novice class riders, flyers won't require maps, a high speed license will require 40 runs of low speeds or a driving school, E class will be by itself, the F, G & H class will be together, J & K will be combined. All cars with race tires will be in group 2. The West Region nominations for a one year term: RE, Jon Manz; RCD, Joe Eller; RMD, Sheila Wyman; Secretary, Larry Bebee. Let Gary know if you would like a write in vote or have any comments on the proposed changes he will be voting on. The Cedar Rapids club will host the WR awards banquet in March. There has been no release of the C7 logo. The 2013 corvette raffle went to a couple from Michigan. The National nominees are Jack Wilson for business manager, Kathy Brisbols for secretary, Jeanie Ruston for sergeant-at-arms, Walt Jenkins and Dale Samuelson for VP of competition. Complete details are on the NCCC web site.

Competition Director, Don Angerth announced the remaining speed events: October 5 & 6 in Kearney, Ne will be ¼ mile drags with matching, record and bracket drags on Saturday and 7 low speed events on Sunday. October 19 & 20 at Mall of the Bluffs for low speeds with a shorter course on Saturday since a portion of the lot is in use by DOT. On Sunday the course will be similar to Summer Festival. Ron Bockerman was asked to speak about the Kearney drags, hotel arrangements and the great opportunity we have this year. He gave a little history about the "old-time" drag racers and the goal of setting a national record with Jerry Benedict behind the wheel. Ron reminded us this is the Dave Hawks Memorial Drag Races, so even if you don't race come out and support the event. Ron said the MAM 1/8 mile drags are under discussion for club records.

Summer Festival Director, Anita Poss gave a recap of the awesome SF and thanked all the people who came out to support the event plus all the chairmen and workers that made it happen. The results are done and the birthday bash was a success with a visit from Bill and Hillary and the Village People, featuring Don Angerth as the policeman, Ron Bockerman as the cowboy, Bob Speckmann the construction worker, PL the biker, Jake Cartwright the Army man, Steve Walling the Indian with Kris Speckmann as the naughty nurse. Over \$1000 of prizes was awarded and everyone received a commemorative coozie and a profit was made! Anita gave special thanks to EJ, Palmer & Allen who were her back up people and Denny & Mary Ann who provided the place. They will have the grand opening of the Stumble Inn on 9/28 and encourages everyone to attend. Recognition was given to Tim Ogle who has been a member only since June, for coming within 3 points of the overall winner. The overall winner for men was Randy Williams. The overall SF winner with most points was Marie Manz. Both received a beautiful wooden wine box complete with wine tools and wine.

Marie thanked several members who assisted her throughout the weekend in Jon's absence.

Kevin Kohlscheen explained SF will be changed from our usual Labor Day weekend for the next two years due to the scheduling of the NCCC convention. The club will figure out an alternative.

Vice President, Kevin Reit had no report.

Points Chairman, JB Benedict reported we have 16,440 NCCC points and 12,813 WR points, placing CCC first in both; he noted SF points are not yet posted and acknowledged those traveling out of the region who added 4,000 of these points. Thanks were given to those who worked at the 3rd Leach Camper Open House; Leach provides the motorhome used for timing at speed events.
