Convention 2016?

NCCC is looking for a place

No one has volunteered to hold the NCCC Convention for 2016 and the Cornhusker Corvette Club has been asked to consider hosting. It may seem like a daunting task, but we have a lot going for us. Omaha & Council Bluffs has so much to offer to our out of town guests. MAM would be a great site to hold high speed and low speed events. The beautiful Loess Hills would make a wonderful area for a rallye. And last, but not least, the valve cover races would be a fun event.

And let's talk about entertainment. Casino's and conventions seem to go hand and hand. We have the world famous Henry Doorly Zoo, SAC museum, Boystown, Laurizen Gardens, go cart racing and plenty of great restaurants. And you can't get more central than our town. We are, literally, in the middle of the United States!

As one of the largest clubs in the US, this would be a great opportunity to highlight our strengths & talents. Just think about all we have to offer as a membership.

Our President will be asking for your input at the next general meeting. This would be a huge undertaking and would require a lot of volunteers.

What do you think CCC? Are we up for the challenge? Are you ready to show the nation what makes our club so wonderful? Is it time for us to host the national convention in 2016?

Vettes in the Park, Lake Okoboji

By Colleen & Ron Norgard

It was a packed, fun filled weekend in Okoboji that 18 CCC members got to enjoy. On Friday the 20th, the kick off started at the Barefoot Bar with the Okoboji Club. Lots of good food and music!

The banquet was on Saturday night at Arnolds Park with many Corvetters' from Minnesota, Wisconsin, Iowa, Nebraska & South Dakota.

Sunday was the car show at Arnolds Park and then we all headed home. (We actually went on to West Bend, Iowa, to the Grotto there with Dick & Jan Mason). What a great weekend!

Saturday we had choices. Some went auto crossing and others went sight seeing. We actually went to the Okoboji Classic Car Museum. It's just 2 years old & really done quite well.

Here are a few of the great photos (view all 155 photos at <http://share.shutterfly.com/action/welcome?sid=0AcsnLVw0Ys2Lwo>)

Road Trip - Templeton, Iowa Distillery

By Colleen & Ron Norgard

The invite to tour the Templeton, Iowa Distillery came from the members of the Okoboji Corvette Club. On July 12th, Several of the Cornhusker Corvette Club members & the Des Moines Corvette club took them up on the offer!

We learned a lot about the Templeton Rye Whiskey

during the Prohibition years. It was one of Al Capone's favorites & he had it shipped to Chicago during that period. We enjoyed samples of the whiskey at an early hour for drinking (10:00 am), at least that was early for me! Then went on to lunch

in Manning, Iowa with the group. We had a wonderful day!

Here are some pictures from the day. My favorite is of Joanne Leners with her little shot glass in front of the whiskey barrel display!

Editor Note: In case you can't read the plaque on the whiskey barrel that they are all posing in front of, it says "ABSOLUTELY NO CLIMBING ON BARREL TREE". Oh those rowdy kids !

Valve Cover Racing at the Gregg Young Corvette Show

By Perry Dawes

The First CCC Valve Cover Racing event was held on Saturday, August 9th in conjunction with the Gregg Young Corvette Show. We set the track up in Gregg Young's showroom and had a great time.

There were 22 Valve Cover Cars that were in the show and raced. Nineteen in the Small Block Division and 3 in the Big Block Division. Although it was difficult to determine the race winners sometimes (we had several "spotters" at the finish line with Sandy Swift taking video of the finishes) since the cars were so close in speed to each other. The results of the racing were as follows:

- ⇒ Small Block:
 - 3rd Place Gene Gau - "Lucky Duck"
 - 2nd Place Linda Hughbanks - "Lilac Lady"
 - 1st Place Ron Norgard - "Korvette"

- ⇒ Big Block:
 - 3rd Place Linda Adams - "Moonshiner"
 - 2nd Place Megan Harden - "427" (a guest participant)
 - 1st Place Bob Reade - "Classic"

- ⇒ Overall Top Eliminator Ron Norgard - "Korvette"

The results of the show were as follows:

- Best PaintGene Gau - "Lucky Duck"
- Fastest Looking Linda Dawes - "Lightning"
- Most Patriotic Jayne Reit - "J KAR"
- Best Sports Theme . . Perry Dawes - "Husker Hog"
- Most CreativeErv Gunderson - "Batmobile"
- People's Choice Overall . . . Erv Gunderson
"Batmobile"

Note: Erv and his grandson came dressed as Batman...terrific!

Allen and Palmer Sohl did a great job with the registration, voting, and picture taking.

Everyone had a good time and we are looking forward to another Valve Cover Racing event at the Summer Festival Party on Aug. 31st at Clancy's.

A great big thank you to all the members that helped make this event a success, and we hope to only enjoy it more next time.

FLASHBACK!

Road Trip - Indy NCCC Convention 1973

by Jake Cartwright

O'Dark thirty September 1973, a dozen tired souls headed out on I-80 for the NCCC convention in Indianapolis. It was being held at the Indy 500 race track. The Vettes ranged from 1958 to new, and a few race Vettes on trailers.

It was hot! No one had AC in those days and Vettes were known to be cookers. The side exhausts ran right by your outside leg and could take the skin off immediately. Carol and I had a 1968 Big Block roadster with the top down, sweat bands on and a cooler of Schlitz in the back. About two hrs out we were all out of gas so the first of many gas stops began. 32.9 cents for a gallon! It cost over \$5.00 to fill up!

Fast Eddie Bitcon was soaking wet from sweat and going deaf from the droning of his side exhaust so I loaned him a set of ear plug for the rest of the trip.

Somewhere east of DesMoines, I saw the caravan of Vettes scattered to all corners of the interstate... Larry Kudera had lost both ramps from his trailer and they were skidding down the road at 70 MPH. We stopped and gathered all the pieces and luckily no one was hurt or fiberglass damaged.

It was getting dark when we rolled into the Speedway Motel, we had rented the whole place and it was

right on the indy track..AWESOME! Quite a few CCC members had arrived earlier and the party was in full swing. We turned the swimming pool into a beer garden, jumped in and cooled off and some of our "shiners" started cleaning our Vettes for the concourse the next day.

We woke to torrential rain... This was Indy you know... The concourse was under the race track bleachers, out of the rain but we had to get our just cleaned Vettes there! Our members with trailers volunteered to haul our show cars over. It took several trips but we all made it before the judging started This was

the era of RAD Vettes. Hardly any Vettes stayed stock, custom bodywork, crazy paint, you name it. It was a blast walking around looking at hundreds of Vettes in the show.

The rain subsided in the afternoon and they let us on the track! ...OMG! It is 2.5 miles around, and the weather changed three times in one pass. They let 12 Vettes out at a time with a pace car that stayed at

Road Trip - Indy NCCC Road Trip (con't)

90 MPH but we soon figured out by giving him a long lead we could get up to 100 MPH plus before catching him. We all got a certificate signed by Tony

Hulman that we completed a lap around the 500 speedway.

The rally was a mess, few finished and we all came back in a grumpy mood and had to drown our complaints about poor finishes in a few cold ones. I don't remember much about the evening party but was told I had a

good time. Three CCC members brought tiny mini bikes and found a hole in the track fence. They had a ball cruising the brickyard

before being escorted off by the constabulary.

Indianapolis Raceway park was open for the drags, and slalom - a first class venue. It was the first time most of us had ever been on a real drag strip.

Monday, we all faded away for the long trip home with a lot of great memories of a

fabulous weekend. Carol and I stopped in Fort Wayne to see my dad. Our rich brother-in-law gave us a key to his luxury condo in a ritzy gated community to stay in for the night. Little did I know I had parked in someones designated stall and I awoke at 2:00 am to see my Vette was gone! Panic City!! I called the cops and they told me it had been towed. We caught a cab to the tow lot and paid \$50.00 to get it back. They had flattened both rear tires? and scratched the back of the Vette with their tow apparatus @!#\$%^^%&****&^%\$###\$@! Needless to say we never got much rest that night, and never got an apology from the security people.

Anyway that's how I remember it

MESSAGE FROM THE PRESIDENT

Jerry Koraleski

WOW! What a month July was and August will be jammed packed as well. It's been quite the ride. We had a great day in Jamesport, MO. The life style of the

Amish is quite different from ours. The food was fantastic. I think we ate all day long. Hey George, how about that fantastic cinnamon raisin bread?

Our Meet & Greets are far surpassing my expatiations. What a great way to really get to know your fellow Cornhuskers. We also enjoy getting to

know our new members and we hope they are enjoying the meet and greets too. Hey the ice cream wasn't bad either.

The racing season is drawing to a close, the West Region has just a few weekend events to go. A lot of time to give it a try! Drag racers start your engines, as it soon will be your time to shine in Kearney.

NCCC'S Convention 2014 in Savannah is just weeks away. I expect a first class event. Beside all scheduled events, the area is rich in history. The club as well as several members will be receiving their well deserved awards at the Monday night awards banquet.

SAVE the WAVE

Jerry

GOVERNOR'S REPORT

Gary Brisbois

It is hard to believe the kids are heading back to school already. Where did the summer go?!?!?!? There are still lots of Corvette activities being planned for the club and the

rest of the year is sure to go by just as quickly. There are still autocross events in the region and around the country. We have drag races coming up in October. Still plenty of socials in the works and Summer Festival in the Sink Hole to look forward to. There is at least one road trip on the calendar as well. So you should be able to find something to do in your Corvette before the snow (nasty four letter word) flies.

On the National level, Convention is coming up at the end of this month and several club members have made plans to attend. The governors'

meeting follows just two weeks later so Kathy and I will be spending lots of time on the road these next few weeks. At the September Governors' Meeting we will have officer nominations for 2015, a presentation of the proposed rulebook changes, and By-Law changes for the governors to decide on. There will be a ballot posted on the NCCC database for the election of officers and to approve the By-Law changes. The rulebook changes will be voted on at the Governors' Meeting in November. I will have the details for you in the next couple of months so be sure to check in for more news. Officer candidates will also be presented at the West Region governors' meeting in St. Louis that same weekend. The West Region officers are all eligible for another year but each office is open for additional candidates. We will also be awarding the West Region Scholarships at the September meeting.

I think that pretty well covers it for this month.

Keep 'em shinin'!

Gary

Dear nice people,
 I hope you will pass my note on to your web site/newsletter. This is a picture of me in my driving outfit and hope I am cool enough to join the club! I really enjoyed your party at Tish's restaurant tonight and I can assure you, you all were certainly the hit of my long day from Denver. I so appreciate your kindness, letting me and my people enjoy your company. Enjoy the fun and let me know if you need a mascot :-)
